If all players come back next year will have roughly the same budget
Learn to skate – well above budgeted numbers

Calendar raffle - complete

Other than that not much more to report in terms of the income statement
A few expenses will trickle in, practice ice for Revere and what is left at Peabody, but not much else

Just about 39K + in the bank

VP Operations report Linda Nareski for Debbie Joyce -

Miscellaneous update
Sweatshirts - in next week

Reverse Raffle

Looking for help and ideas for the reverse raffle - March 28
The Reverse Raffle tickets are printed up and being distributed
Distribute to coaches tonight for the raffle to distribute to players/parents
Kristen Smith will collect them

Each team puts together a basket for a drawing during the night
Teams should start to think about what theme to put together
Desperate need for silent auction needs
May be better to have less silent auction items so people can focus on items of value and bid the price up
Area hockey camps will donate, memorabilia, sticks, etc.

Another order for jackets will be available

Motion to accept: Joe Lepore
Second - Steve Gesualdi

Ice Coordinator - Don Geraghty

Ice schedules now published out until March
E-mails to parents to book hotels for the cape tournament
Make the reservations now to not lose out on the blocks

Question about Ice time going forward?
Games have been scheduled out to March, no other info yet from Valley
Ice items?
None

Motion to accept: Bob Kennedy
Second: Joe Lepore

President's report

Will the high school team do a DYH night for a game? Wear Jersey, attend for free. No word yet. Not many home games left, Linda to check. 1-25-14 1PM Afternoon game appears to be the only possibility at Salem State

Any players missing a nameplate - they are ordered.

Also new jerseys are in for players who need them

DANVERS YOUTH HOCKEY

Speak out

Kim Burke

A player with Beverly, was playing dirty and delivering cheap shots, turning a Squirt game into an ugly situation,

Their coach apologized to us

The kid was suspended from the game, 5 minute major

Steve Gesualdi will send the VHL note on this

Concern is that the kid will hurt someone

If a player or parent has a complaint about a player on another team, like this, e-mail Don Geraghty or Steve Gesualdi and they will contact the Valley League

Don Geraghty

Another issue, in a Squirt 2 game there are supposed to be 2 refs, but only one has shown up

We are paying for two

Steve Gesualdi to e-mail the league on that as well

Motion to adjourn: Steve Gesualdi

Second: Joe Lepore

Mike Libby - sick excused
