## What if a game has already started and is called due to weather?

Games called due to weather will be considered a complete game if 3.5 innings are complete and the home team is leading or the end result of 4 full innings if the visiting team was ahead at the 3.5 inning mark. If a game is suspended after one full inning is played the game will be resumed exactly where it left off with players in the same positions including on base if necessary and the number of balls, strikes and outs. If a rainout occurs before one inning is complete, the game will start over on another day as if it were a brand new game

## SPORTSMANSHIP:

2. Confrontations of any kind with an umpire will not be tolerated. Any coach thrown out of a game for any reason will be suspended for at least one game. There will be no exceptions to this rule.
3. Fan conduct should be managed by league representatives or coaches. Coaches should help to control fans so umpires are not solely responsible for fan conduct. Any issues with fans should be immediately reported to league directors.

7. Flagrant, unsportsmanlike conduct from players, coaches or parents may result in forfeiture of the game. Coaches are expected to make an attempt to control unruly parents.
8. Home team will occupy the first base bench
9. In the event that lightning is seen in the vicinity of the field, all players and coaches must leave the field immediately. The game may be resumed when it is clear and there is no further danger of lightning. (30 minutes without seeing lightning - WIAA)

3. The umpire's decision is final on all calls. Coaches should contact the league coordinator to discuss any concerns.

### WASHINGTON COUNTY YOUTHBALL LEAGUE MINOR "A" RULES

#### **LEAGUE SPECIFIC RULES:**

1. All games are 6 innings.
  - A) Games that are tied after 6 innings will be called and the result will be a tie. Extra innings will not be played.
  - B) Games are 1:20 in length **while school is in session for either team**. Out of school game length is 1:45. **No new inning shall start after the time limit has expired.**
2. Each ½ inning will end when either 3 outs are recorded or when the team batting has scored six (6) runs.
3. A game can be considered over by the losing team if the winning team has a fifteen (15) run lead at the end of four (4) innings or anytime thereafter.

#### **PITCHING:**

1. All pitching will be from a 46-ft. mound.
2. The strike zone will be from the armpits to the knees and one ball width on either side of the plate.
3. No pitcher may pitch more than 3 innings in one day, or 5 innings in a week.
4. Once a pitcher is pulled from the game they will not be allowed to enter again as a pitcher.
5. Pitching in any part of an inning counts as a full inning.
6. No balks will be called.
7. Pitcher is allowed five (5) warm up pitches between innings.

#### **FIELDING:**

1. A defensive team consists of 10 players; 1 pitcher, 1 catcher, 4 infielders, and 4 outfielders.
2. All players that attend a game (arrive before the start of the 2<sup>nd</sup> inning) **MUST** play at least 2 innings in a defensive position, and one at bat... **FREE SUBSTITUTION IS ALLOWED**. In the spirit of equal play, the players present for each game should play an equal amount of innings.
  - A) Any player that arrives after the 2<sup>nd</sup> inning of play has started, Rule #2 is waived and it is up to the coach's discretion as to the positions played during the remainder of the game for that player.

3. No infield fly rule

#### **BATTING:**

1. The on deck batter is the only batting team player to be swinging a bat other than the batter.
2. Batting helmets will be supplied by each team and must be worn by all players whenever they are outside of the dugout area
3. Coaches will make their batting line up to include ALL players present at the game. Coaches shall deliver the game line-up to the opposing team coach prior to the start of the game. This line-up should show names, uniform number and batting order. No substitution or deviations are allowed during the game. If a player arrives after the start of the game, that player shall bat at the end of the batting order. Continuous batting must be used.
4. It is strongly recommended that batters wear a batting helmet with a facemask.
5. Bunting is allowed.
6. Bats must be official baseball bats with a maximum bat diameter of 2-5/8" Hybrid composite bats will be allowed.
7. Any player that throws his bat will be called out. This is a safety rule and coaches should help the players to properly hold and grip the bat. A team will receive 1 warning if a bat is thrown; an automatic out will be awarded after that. The umpire will warn the teams prior to the start of the games.
8. A batter is out if the catcher drops a third strike pitch.
9. Infield fly rule is not used.
10. **Soft-toss Rule – The first three batters** to walk and/or get HBP in an inning will have to take the walk/base. After the third walk/HBP of an inning no more walks/HBP will be allowed in that inning. Any batter getting four balls/HBP then will have their coach soft-toss to him. When ball four is pitched/batter hit the umpire will motion for the coach to soft-toss. The amount of attempts the batter gets will depend on the count when ball four was pitched/batter hit. For example; if the batter had 4 balls and two strikes, the batter only gets one **swing** to hit it. If the count was 4 balls and 0 strikes, the batter gets 3 **swings** to hit it. The following rules apply once the "soft-toss" rule goes into effect. A foul ball or a swing and miss both count as strikes and strikeouts. NOTE: If a toss is extremely out of the knee to shoulder strike zone, an additional toss is permitted.
  - The catcher must remain in the crouched position behind home plate until the ball is hit
  - The pitcher must position himself two feet behind the mound in a defensive position
  - Bunting is not allowed
  - Coach must be in foul territory, outside of the batter's box. Protective helmet/facemask is suggested.

#### **BASE RUNNING:**

1. 60 ft. base lengths.
2. **Stealing is not allowed and no lead-offs until the ball crosses home plate. If a play is made on the runner he may advance.**
3. Runners cannot advance on a passed ball or wild pitch.
4. All base runners must wear batting helmets.
5. No head first sliding into any base except when returning back to a base as in a pick off play otherwise the base runner will be called out.
6. A runner can advance (1) base on an overthrow at his own risk. This does not include the catcher returning the ball to the pitcher after a pitch.
7. A courtesy runner may replace a catcher on base if there is two (2) outs.
8. A runner hit by, or touching a batted ball in fair play before a fielder touches it, or makes a play on the ball is out.
9. A runner hit by a thrown ball is not out as a result of contact, provided the contact was not intentional
10. A runner may not run more than three feet from a direct line between bases to avoid being tagged out by a fielder with the ball.
11. The orange safety base is only for the batter/runner approaching first base. A defensive player cannot record an out by touching the orange safety base.
