

## **2017 Richfield Youth Baseball & Softball Association (RYBSA) Volunteer Policies and Instructions**

### ***Why donate your time to volunteer for the RYBSA?***

- The RYBSA is an organization run entirely by volunteers and we need the help of our families to be successful
- If an adult member of your family volunteers two or more hours during the current baseball/softball season, you will receive a credit of \$50 (payable at the end of the season)

### ***How do I volunteer?***

1. View eligible volunteer opportunities on the "Volunteering" section of the RYBSA Web site.
2. When you find an opportunity that you are interested in, click the button "Sign Up". It's that simple - no emails or phone calls to make.

### ***Who is exempt from having to volunteer?***

- A team's head coach
- A team's official assistant coach (one per team)
- Any Board of Directors member or League Coordinator
- Any family that has children that are only in the T-ball league (T-ball-only families did not pay a \$50 deposit with their child's registration)

### ***What does NOT qualify for volunteer credit?***

- Helping your child's coach by keeping the scorebook
- Keeping score on the electronic scoreboards during the game
- Helping out at your child's practices
- Any activity not officially on the Volunteer Opportunities section of the RYBSA Web site

### ***Will there be any additional opportunities later in the year?***

- When additional volunteer opportunities arise throughout the year, those will be added to the Volunteering section of the RYBSA Web site ([www.rybsawi.org](http://www.rybsawi.org))

Thank you in advance for volunteering! Please email the RYBSA Volunteer Coordinator (Paul Propst) with any questions ([ppropst@charter.net](mailto:ppropst@charter.net) or 262-689-6454)
