

## What's all the R.A.G.E. about?

- RAGE is a RYBSA organization
- RAGE is based and operated on the 4 fundamental areas that create the RAGE name as listed above.
- RAGE will fall under the financial transparency of the RYBSA organization and will benefit from the 501C3 status once approved
- RAGE offers a family friendly tournament schedule
  - U8 - U11: 3 tournaments
  - U12 - U14: 4 tournaments
- RAGE supports the multi-sport player and multiple player families with a light off-season schedule (team building sessions start in early Feb.). This also allows players to fully commit to their in season sport without the conflict of having off-season baseball practices.
- RAGE will have a REC requirement for levels of U8 to U12. U13 & U14 teams will have multiple choices to choose from.
- RAGE coaches will offer training clinics for our tournament players and for all rec players in the RYBSA program that would like to take advantage of this great opportunity. This unique offering will be a new concept in the development of all players, creating better athletes & better people.
- RAGE is a cost friendly program for families that offers many of the same opportunities as any select or tournament team program while keeping the family budget intact. (Especially when you have multiple tournament players)
- RAGE will also ask all coaches to be PCA certified. These workshops will help both coaches and players on and off the field. This same thought process is shared by the GTLL.
- RAGE will offer resources for our players outside of our community. With our unique relationship with the GTLL we can pool our resources to make better athletes and better people.
