

Hi Coach Williams,

I wanted to update you on our fall tournament schedule. We are beginning our fall season for [Club Team] this weekend. I hope that you will be able to come see me play at one or more of these events. I will send game schedules once they are available.

I have done several camps this summer and several prospect days this fall and am narrowing down my list and hope to make it up to Georgetown for a winter clinic. I really like the Washington DC area and have visited your campus several times this year. I am looking for a school with strong academics and a strong lacrosse program and I believe Georgetown could be a great fit for me. I will reach out to you again after the fall tournaments

I have copied my club coach and director on this email

[Player Name] 2019
