

Tryouts -

Anytime there are going to be a teams at A level and at B level there will be tryouts.

They will consist of the following:

- An independent evaluator(s) will score players based on the criteria set by the board. It will include but is not limited to - Attitude, communication, stick skills, LAX knowledge, and athleticism.

- All efforts will be made to have 2 different time periods, if there is the proper time allotment - a player does not have to make both, but it is strongly encouraged. Scores will be for the one night or the average of both nights.

- Scores will not be viewed by players, parents, or coaches. Members of the board will view scores and divide teams accordingly. Board members with a player on the team being evaluated will not be included.

- Board decisions are final. No appeal, No grievance!
