Financials: The account is sitting at approximately \$565.00. Adam brought to our attention that there are several names on the account that need to be removed. Otherwise, each person would have to sign off on paying things. John Davis made a motion to remove Tasha Watts, Bart Lewis, Brian Franklin, Brian Klink and Wayne White from the ACLL account. 2<sup>nd</sup> motion: Jessie Drury. Mark Lilly made a motion to add Adam Castle, Gabe Uebel and to keep Jonathan Cole on the account. 2<sup>nd</sup> motion: Steve Lewitt.

Districts- Gabe went over the email he received concerning districts. He then turned the floor over to Bill Bradley, District Representative, to explain in detail what is going on with the league. We will now be in an area with Mercer and are allowed to expand our borders because Lexington and Richmond have combined to one charter. Bill went in to detail about expanding our borders and we have since submitted to Little League Int. a request for a new area. This area would include West Frankfort. Map available for those interested.

Swing Age Kids- Mark made a motion that for “swing age kids” (those who were 7 years old last year, but now 9), sign up according to the new age requirement in the system, but then we will make the call at evaluations as whether they should be in 7/8 coach pitch or minor. 2<sup>nd</sup> motion: Brian W. Gabe agreed and proposed to leave the discussion open until we see our numbers when we open registration and know what we are dealing with.

Drafts- Gabe suggested we start with majors, then minors, etc. for drafts and go by evaluations for those with a birthday between May1, 2005-December 31, 2005. This was left open for conversation and on a case by case basis.
