

2018 Cheer Competition Squad Permission Slip

By signing this form, the parent and cheerleader know and understand that **all competition practices and competitions must be attended and take precedence over all other activities**. 100% effort is required for competition. It is extremely important that the cheerleader attends 75% of the regular season games to eligible to compete. If you will miss any practices or games you must notify the Coach prior to the event. There is a small fee of \$30 which takes care of practice facilities and competition fees. Cheerleaders will participate in one competition (November 11th). Coaches will supply you with more information at a later date. Without one member of the team it is difficult for the Coaches to plan cheers, stunts, dances, etc. At the Coach's discretion, if any part of the agreement is broken, the cheerleader may be removed from the competition squad. No refunds are given.
