

Parents and Guardians of East Windsor Little League Baseball and Softball Players,

For safety and legal reasons, Little League rules require that a parent, legal guardian or designated guardian be present throughout the course of all practices and games. Should you need to leave at any point during a practice or game, it is your responsibility to find another designated guardian that will remain and take responsibility for your child. If you leave, you must inform the coach that you are leaving and who is the person that has agreed to take responsibility for your child. If you are unable to find someone you must take your child with you. This responsibility cannot be designated to the coaches. Failure to follow these rules may result in the dismissal of your child from the team.
