Thank You -

The East Windsor Athletic Club Tournament Committee would like to thank you for being a part of this year's tournament. As a result of your participation and the support of our sponsors and donators, EWAC has continued to help improve sports facilities for all ages, initiate athletic activities for our youth, provide scholarships for student-athletes, and recognize individual accomplishments through our Hall of Fame.

This year's tourney raised approximately \$5,000 which will be used for scholarships, and projects that will improve athletics and our town.

We would like to recognize the following for their contributions towards sports in East Windsor over the past year:

- Dennis Soucy, Tom Gudzunus, Cheryl Littlefield and the German Club for their contributions towards the EWAC and their support of the community
- Chris Mickey and our Hall of Fame Committee for their efforts for our Annual Athletic Hall of Fame Banquet
- William Raber for his continuous efforts with the Athletic Club and Youth Basketball
- To all that volunteer in their efforts for providing sports programs for the youth of East Windsor
- Special thanks to Bacher Corp/John Olisky for fabricating our new grill

We would like to take a moment to remember Michael Gragnolati, Thomas Preston and James Trombly. All were active members of the Athletic Club and supported our efforts towards the community.
