Umpire Resource Center

Are You True Blue?

Little League International is pleased to announce the new Umpire Resource Center

This valuable resource is now available **Free** at LittleLeagueUmpire.org. Whether you are a novice umpire or an experienced umpire, the Umpire Resource Center is a valuable tool in improving or honing your umpiring skills.

The Umpire Resource Center is packed with educational content and video clips on plate and base mechanics to print and news articles that will provide an opportunity for Little League's to look to this resource to build, recruit, train and retain a program of volunteers within their leagues. The resource center will also enable umpires to remain updated on the rules and regulations, exchange ideas and offer suggestions that will continually improve their game.

"Little League International has prided itself on its willingness to stay at the forefront of youth sports by providing its players, coaches, volunteers, and now umpires, with adaptable training materials to make their experiences safe, enjoyable and fun," Stephen D. Keener, Little League Baseball and Softball's President and Chief Executive Officer, said. "The countless hours and meticulous effort that has gone into the development

of this free web-based product was done so out of respect for the commitment that it takes for an individual to umpire. From the casual parent trying to help out, to the person with no children in the league, but who wants stay involved with Little League, this resource will make you better."
