## Agenda Items

---

- I. November minutes approved
- II. Coach Report
  - A. Physicals are past due and need to be done ASAP. They are necessary to participate in conditioning. Concussion form needs to be turned into Delfosse ASAP. Forms are good for a year if kids have participated in other sports.
  - B. Coaching staff for this season will be DJ Ward as the defensive coord for varsity, Zach Ward will be offensive coord for varsity. Cramblet and Roberts will work with JV. Conditioning will be M-Th this and next week. Tryouts will follow on January 25 & 26. No conditioning on MLK day.
- III. Officer Reports
  - A. Kevin will have game day sign up geniuses up and running by Feb 1. Jobs will include concession, lining field, announcer, scorekeeper, photographer support. Coach will need someone at the field table but will try to get managers on board. Will also need someone to coord away game meals.
  - B. Helmet decals - new decals will be ordered for varsity helmets that will include a black back panel with McIntosh written in white, kelly green vent, black visor, a Chief side decal, the player's number on the other side panel and a memorial sticker for Paul Garcia's dad who passed away in December.

C. Treasurer

1. Xmas trees has already raised more than we did last year. The Ogeltrees did a great job.
2. Spring program is about \$4,000 short of goal.
3. We need a concession chair. Motion was made to require that every family serve in the concession stand at least once. (if we have a chair volunteer) Motion passed.
4. Player dues are \$600 and due on Feb. 1. If there is a financial problem, talk to Coach. Volunteer rebates will not be given until we can make sure we meet our budget goal. \$100 uniform deposit - checks will not be cashed unless uniform is not returned at the end of the season. Personal ads are due January 15. 25% ad rebate will also be given at the end of the season.

D. **Donna Montgomery** passed around a spreadsheet and asked that everyone be sure that they have turned in the artwork for their ads. Many ads from last year have not even been renewed. Those should be easy to get. Absolute deadline is Feb 1.

E. President

1. Dave apologizes for not announcing that the board met last Monday.
2. If we don't get a chair, we might be the first season to not offer our visitors concessions.
3. We need a hospitality chair - Senior night and banquet needs to be handled by junior parents.
4. Jen and Cathy have begun looking at banquet dates. Would like a date that is after the playoffs. May 2 would be before but we think the school is available. School ends earlier this year. May 14 is the championship game. Or, May 16 but that is finals week. Or, May 23, after school ends. Vote was taken and May 16 carries.
5. Feb 1 Meet the Chiefs, no meeting in March, and last meetings will be April 11 and May 5. Blessed Trinity scrimmage - admission will be an optional donation to Relay for Life.
6. eTeamSponsor is a fundraising web-based program. All each player/family needs to do is to provide a handful of email addresses asking for help funding our program. East Coweta's girls' volleyball team was able to clear \$3500. We will find out what the company's cut is and if they resell email addresses and communicate that back to the club.
7. The board recommends that Tracey Dodge McJunkin and Erin Nase be eligible for the rebate as well as the parents who sat at lunch to sell the phone case.

F. Chuck Ogletree

1. Thanked everyone for getting flyers out and for all of the volunteers who picked up trees. Whoever takes over next year, they have made templates and a database of emails so the job should be substantially easier.

2. So far 184 trees have been collected with an average donation of \$20
3. Last Saturday alone, they picked up over 50 trees and raised \$1,060 in one day.
