Hello Stars Families,

We hope this message finds you well and you enjoyed the school vacation week.

Teams will be posted to the website by the end of the day today. Please know that the process is data driven and we make every effort to ensure a fair and equitable process. Players are evaluated by the coaches for the past season and also evaluated during both tryouts. No player is penalized for missing a tryout or not having a coach's score.

As a board we are proud of our process and we do not take team placement lightly. Looking forward to next season and if any questions arise please reach out to the appropriate level director.

Go Bruins!

Hello Stars Families,

Team placements are now available for the 2018-2019 season.

In the next few days, you will receive an email with instructions on completing your registration for the season. This registration will confirm your child's placement on a Coastal Stars team and will also set up payment procedures. All players will be required to register with the Coastal Stars and USA Hockey.
