

Sled Hockey is the fastest growing adaptive sport in the United States. Buffalo Sabres Sled Hockey is the largest sled hockey organization in the US with 4 teams, players aging from 5 to 70 years old, and multiple members on the US National Men's, Women's, and Development Sled Teams.

Our major fundraiser is our annual golf outing being held July 26, 2017 at the Glen Oak Country Club. We would like to ask you or your company for a donation to be a tee or green sign sponsor for \$150, you will receive the sign after the event. The tournament is attended by over 150 golfers and dinner guests.

Please respond with a letter indicating the logo or message you would like on the sign, and with a check payable to:

WNY Physically Challenged Youth Sports

Mail to: Dan Murray
710 Parkside Avenue
Buffalo, NY 14216
