To the Businesses in our community,

I would like to take this opportunity to thank you for any past support and welcome you to the 2014 season of the Washingtonville Youth Football & Cheerleading League.

This is our eleventh season at Lasser Park. 49 Station Road, Salisbury Mills. Our league officials are committed to improving the park for itself and future town recreational uses as our town recreation center, benefiting the entire Blooming Grove community. We've come a long way and are very proud of our facilities and the improvements we've made, but there is still a lot to do. Of course this requires funds that need to be raised.

This is why we are asking you to join us in support of the W.Y.F.C.L. Lasser Park development.

Our season starts in April with Washingtonville flag football. In August our tackle football season starts. There are eight football teams and eight cheerleading squads (season runs August to November) Averaging 30 children per team/squad. We will be visited by Chester, Cornwall, Goshen, Highland Falls, Marlboro, Middletown, Minisink Valley, Monticello, Newburgh, New Windsor, Pine Bush, Port Jervis, Valley Central, Wallkill, and Warwick.
