ARTICLE II – CYO OVERVIEW

SECTION 1 – NAME & HISTORY

The name of this organization is the Catholic Youth Organization of Los Angeles (“CYO”), a division of Catholic Charities of Los Angeles, Inc., a nonprofit corporation (“Catholic Charities”). Catholic Charities originally known as the Catholic Welfare Bureau began its work in 1919 as a response to the problems of poverty, crime, hunger and unemployment within the ADLA. Its’ purpose is to meet the needs of families, coordinate existing health and welfare facilities as one and initiate new service programs as required. Regardless of race, ethnicity, income, sex or religious belief, Catholic Charities lends a hand to everyone.

In its early years, CYO was the official youth agency of the ADLA, offering boys and girls a group work program under Catholic supervision in accordance with the Catholic philosophy of life. CYO activities were planned around the four point program of spiritual, social, cultural and physical activities offering members and participants a well-rounded program which develops the total personality of the individual. It administered six distinct programs that provided services to the Los Angeles community. One of those programs was the CYO athletic program.

- To center the athletic programs for the youth and for the youth’s development of physical skills, social skills, emotional and mental growth and spiritual strength.
- To help form well-rounded youth by fostering good health habits, teaching the positive value of athletic participation and showing the necessity of practice, hard work and time management.
- To recognize the vital role the coach plays in the development of the youth and to train the coaches as youth ministry leaders under the Archdiocesan required coaching certification program, Play Like A Champion Today.

- To teach all the participants (school Administrators, coaches, student athletes and spectators), the proper attitude towards winning, losing and competing with dignity.

Collectively, the Director, Associate Director, Program Coordinator, Office Administrator and four Regional Representatives shall be known as the “CYO Staff”. The Director, Associate Director and Coordinator shall not hold any SPORTS related position, paid or otherwise, at any Catholic Elementary or High School within the ADLA. Staff positions and their responsibilities may be added or removed at the discretion of the CYO Director.

ARTICLE III – CYO PROVISIONS

SECTION 1 – PARTICIPATION

Participation in the CYO is available to all Catholic elementary schools under the jurisdiction of the ADLA. These schools are considered eligible to participate in CYO by virtue of their being an entity of the ADLA. The ADLA, Catholic Charities LA, Inc. and CYO fully expects and strongly advises that all Schools will have all of their sports teams participate solely with the CYO and utilize the CYO for its intended purpose as a service to Catholic schools in the ADLA. The only exception would be if CYO does not offer a particular sport or event at a specific level or season (first game through playoff Championship). This is intended to promote and encourage focus on the following areas: (i) Athlete Health & Safety, (ii) Insurance compliance and coverage; (iii) Equitable play/competition; (iv) Age eligibility compliance; (v) Facility safety and compliance; (vi) Avoidance of excessive fees; (vii) Coaches Training and Certification through *Play Like a Champion Today*; and (viii) Participation in a Catholic centered environment.

Catholic Schools not governed by the ADLA or not currently an active member of CYO, can apply for participation in Conference events. CYO reserves the right to confirm or deny any application. These same Schools can also apply for participation in Competition Events provided they register and compete in at least one Conference Event each academic year.

To confirm participation, a school must submit a Registration Form, Team Roster and Registration Fee to CYO by the applicable Deadline Date for a Conference Event or Competition Event it seeks to enter. This initial Registration Form, Roster and Registration Fee for a Conference Event or Competition Event will be considered confirmation as the school's desire to participate in the CYO. In turn, the School acknowledges and agrees to abide by the Governing Manual as a condition of participating in the CYO.

SECTION 2 – ATHLETIC EVENTS

The Athletic Events in the CYO consist of Conference Events and Competition Events for elementary athletes for various levels of competition (see Section 3 below). Conference Events are athletic competitions that occur between Schools, involves conference play and generally is completed over the course of a season. On the Varsity level only, Conference Events conclude with CYO Playoffs for the Schools that qualify. For the 2012-2013 school year CYO offers the following Conference Events:

| Event | Season | Varsity | B | C |
|------------------|--------|---------|-----|-----|
| Girls Volleyball | Fall | Yes | Yes | Yes |
| Flag Football | Fall | Yes | Yes | Yes |
| Girls Basketball | Winter | Yes | Yes | Yes |
| Boys Basketball | Winter | Yes | Yes | Yes |
| Girls Soccer | Spring | Yes | No | No |
| Boys Soccer | Spring | Yes | No | No |
| Girls Softball | Spring | Yes | No | No |
| Boys Volleyball | Spring | Yes | Yes | Yes |

Please note that Soccer (B & G) is listed as a Conference Event. However, soccer registration is managed separately due to the unique aspects of the soccer program and its' support by the LA 84 Foundation and/or other philanthropic entities.

Competition Events are athletic competitions that occur between Schools, do not involve conference play and are generally completed in one to three days. For the 2013-14 school year, CYO offers the following Competition Events:

| Event | Season | Varsity | B | C |
|------------------|--------------------|---------|-----|-----|
| Bowling | Fall | Yes | Yes | Yes |
| Cross Country | Fall | Yes | Yes | Yes |
| Golf | Fall/Winter/Spring | Yes | Yes | Yes |
| Cheer/Song/Dance | Winter | Yes | Yes | Yes |
| Track & Field | Spring | Yes | Yes | Yes |

CYO reserves the right to change, add or subtract Conference Events or Competition Events. However, CYO will provide sufficient notice to all Schools of any changes.

SECTION 3 – LEVELS OF COMPETITION

Athletic Events in the CYO are offered for different levels of competition – Varsity (7-8 Grade), B (5-6 Grade) and C (3-4 Grade) levels.

The Varsity level is mainly for students in grades 7 and 8. The Varsity level is a competitive division that maintains the core precepts of the lower levels of play. However, the Varsity level acknowledges conference and CYO champions from a team perspective and recognizes athletes on an individual basis as well.

Schools with a large amount of 7/8 grade players may field a second Varsity team in Conference sports. This ensures all players can participate. The second Varsity team is not eligible for CYO Playoffs. There is no longer a Junior Varsity designation.

The B level is mainly for students in grades 6 and below. The B level is a developmental level. The focus shall be on a basic understanding of the game rules and game strategies as well as further development of fundamental skills.

The C level is mainly for students in grades 3 and 4. The C level is an introductory level into sports and the CYO. The focus shall be on a basic understanding of the game rules and developing physical skills.

SECTION 4 – REGISTRATION

A School must register its team(s) for a Conference Event and a Competition Event by a Deadline Date. Registration consists of registering online at cyola.org, submitting a Team Roster and the applicable Registration Fee. By submitting a Registration Form, Roster and Registration Fee, the School will be incorporated into to the desired CYO sports and, in turn, agrees to abide by the Governing Manual.

The Deadline Date for each Conference Event and Competition Event will be announced by CYO on its website. Failure to submit a Registration Form, Roster and applicable Registration Fee by the Deadline Date may preclude the School from having a team in the Conference Event or Competition Event. If late Registration Forms, Roster and/or Registration Fees are accepted by CYO, the following conditions must be met: (i) the School must submit a late penalty fee (\$100 for Varsity/JV) and \$50 for B or C level and (ii) as it relates to Conference Events, the School must be willing to be placed in a conference where the School may need to travel to all of its conference games and/or participate outside its' immediate geographic area or designated CYO region.

A School may pay an Annual Fee or Pay as Play for each team it registers throughout the year. A School must submit a Registration Form by the applicable Deadline Date for any team it wishes to register for a Conference Event. All Schools will be assessed an annual \$35 Administrative Fee with their initial Sport Registration.

The Annual Registration Fee for each School is as follows: Level 1 through 4 schools - \$1,250; Level 5 through 7 schools - \$925; and Level 8 through 10 schools - \$650. This provides entry into all sports at all levels.

The Annual Registration Fee amount does not apply to registration fees associated with Competition Events or Soccer. Registration fees for Competition Events will be announced well in advance of the Registration deadline.

The Pay as Play Team Registration Fee for Conference Events is as follows: \$135 per Varsity/JV level team (only 1 team may be registered for each Conference Event, unless JV), \$50 per B level (multiple teams may be registered for each Conference Event) and \$50 per C level (multiple teams may be registered for each Conference Event). There is no Fee Cap with this option. Schools fees may exceed designated Annual Fee based on number of teams registered throughout the year.

If a School registers a team for a Conference Event and then fails to field a team, the School shall be subject to a forfeiture penalty of \$100 for a dropped Varsity/JV team and \$50 for a dropped B or C team.

The Registration Fee assists in covering the expenses associated with the CYO, including without limitation, the cost of administration, gym/field rentals, supervisors, awards, sports equipment, office supplies, rent, utilities, security, printing, postage and officials/judges, CYO website and maintenance. CYO recommends that Schools charge a participation fee per CYO participant to help defray the expense of the registration and official's fees from the schools budget. Schools that are delinquent in making their payments after receiving notice by CYO may be subject to a \$50 Late Fee.

SECTION 5 – ATHLETIC EVENT SCHEDULES

Upon receipt of a School's registration for a Conference Event, CYO assigns the team to a conference with other teams from Schools that are in the nearby vicinity. Approximately one week after the registration Deadline Date, CYO will post on its website and email each school a Preliminary Game Schedule which shall include the names of all the schools in the conference and the dates, times and locations of the conference games. In addition, prior to the beginning of CYO Playoffs for a Conference Event, CYO will post on its website and email each School the following information: (1) Dates, times and locations of CYO play-off games; (2) Play-off brackets; and (3) Additional information.

Shortly after the registration Deadline Date for a Competition Event, CYO will post on its website and email to each School the following information: (1) Date, time and location of the competition; (2) Schedule of events; and (3) any additional information.

SECTION 6 – PRESEASON CONFERENCE MEETING

There will be a mandatory preseason conference meeting for coaches of all Conference Events to (i) finalize the Preliminary Game Schedule and (ii) review other important administrative matters and competition game rules (the "Preseason Conference Meeting"). The time, date and location of the meeting will be provided by CYO on its website and via email. In addition, the CYO Regional Representatives will contact each school by phone or email prior to the meeting as an additional reminder.

The head coach of each team is required to attend the Preseason Conference Meeting. If a head coach cannot attend the meeting, he/she should send an adult representative (preferably an assistant coach or school administrator) to the meeting. If a School fails to have a representative at the Preseason Conference Meeting, then it shall (i) lose its voting privileges for the entire season and (ii) forfeit the ability to change the Final Game Schedule.

SECTION 7 – FINAL GAME SCHEDULES

CYO strongly encourages Schools to play the games scheduled in the Final Game Schedule rather than resort to forfeits. Final Game Schedules involving games at a centralized facility are to not be modified by Schools. Schools that do not play a scheduled game at a centralized facility forfeit the game and are responsible for the referee fees (including the other team's referee fee) and any other fees associated with the forfeited game.

See Article V, Section 3 regarding postponements and rescheduling rules.

All Conference games must be completed the Final Sunday prior to the start of playoffs. Any games scheduled after Final Sunday not previously approved by CYO, will not be considered and playoff seedings will be based on the Standings as of Final Sunday.

SECTION 8 – REGIONAL REPRESENTATIVE

In an attempt to make CYO more responsive to its Schools, each geographic region of the CYO has a Regional Representative to serve as a liaison between CYO and the Schools. The Regional Representative's duties include, without limitation, attendance at all Preseason Conference Meetings to communicate important administrative matters as well as highlight items in the Governing Manual to ensure that all coaches understand and adhere to them. The Regional Representative shall also monitor the progress of each conference season in its' region, including updating weekly game results of all conference games on the CYO website. Schools should not hesitate to contact its Regional Representative to discuss issues or ask questions.

A Regional Representative's association, work and/or volunteer involvement at their Catholic Parish / School shall not be considered in conflict with their CYO responsibilities.

SECTION 9 – FACILITIES

CYO recommends that whenever possible conference games should occur at a centralized facility. Centralized facilities generally provide for safer playing conditions, keep all conference games on a level playing field, aids in securing game officials and help create a larger sense of Catholic community. CYO further recommends that Schools who desire to have games played at its own school can schedule 'friendly' or nonconference games to achieve this goal.

In light of this, CYO endeavors to assist Schools to obtain centralized playing facilities. CYO attempts to secure centralized facilities mainly with Catholic High Schools within Los Angeles County but will also pursue and consider facilities elsewhere. Catholic High Schools and most facilities require varying fees to pay for use of the grounds and site supervisors.

This site supervisor expense must be shared between CYO and the Schools who play at the CYO-arranged centralized facility. Schools playing Conference Events at a CYO arranged centralized facility during the 2012-2013 school year will be required to pay \$75 per sport to CYO for the site supervisor fee.

Alternatively, whenever a conference utilizes a centralized facility located at or secured by a School, the Schools may have to pay a facility fee to the centralized facility. There is no facility fee when a conference utilizes a home and away schedule at a School.

SECTION 10 – OFFICIALS

The general requirements for game officials are as follows: (i) the minimum age is eighteen years old and (ii) game officials should be knowledgeable about the rules of the sport in general and the rules of the CYO in particular.

CYO arranges for assigning game officials to all CYO-arranged centralized facility conferences. If requested, CYO can arrange for assigning officials to all School-arranged centralized or Home and Home facility conferences. Game officials are not employed by CYO. Rather, officials are private contractors, therefore, schools may have to negotiate the price they pay officials at home and away games.

Each School is responsible for payment of one official at a centralized game. Payments shall be made prior to the game. The CYO standard fee for an official at a centralized facility game or playoff game is \$30 per official. If only one official works a centralized game in cases where there are supposed to be two officials, each School shall pay \$20.

It is generally the responsibility of the home team School to arrange and pay for a game official in home and away conferences. The visiting team may arrange and pay for an additional game official at its own expense.

A School that forfeits a game is responsible for the entire game official fee (including the fee owed to the game official by the other school). Schools shall pay the official fees for all CYO playoff games except the Final Four.

Scorekeepers and timekeepers must be at least fourteen years old or a freshman in high school. The home team's scoring book shall be deemed the official scoring book and should be available upon request by CYO. Scorekeepers are required to enter a participant's last name, first initial and number in the scoring book. CYO requires that scorekeepers from both teams sit together throughout the game to avoid protests.

SECTION 11 – PRE-GAME PRAYER

The CYO is a Catholic athletic program. In light of the philosophical objective to develop Catholic community and to remember Christ's presence in our lives, including athletics, every Athletic Event shall begin with a group prayer between the two Schools at center court or midfield.

SECTION 12 – LIMITATIONS ON ATHLETIC EVENTS

Athletic Events involving Schools will begin no earlier than 12:00 pm on Sundays. No Athletic Events will begin after 8:00 pm on Monday through Saturday. CYO recommends that practice sessions should be between one and two hours depending on the level of competition. All practices should end prior to 8:00 pm. Each School should monitor and determine appropriate guidelines regarding the number of times each week that its teams practice.

SECTION 13 – CYO RECOGNIZED EVENTS

No School on the Varsity level will be allowed to participate in any tournament during CYO playoffs. CYO recognition has been implemented to ensure the adherence to the Governing Manual in addition to maintaining the integrity of Catholic youth sports.

Each School should monitor and determine appropriate guidelines regarding the number of games each week that its teams play in any tournament.

If an event is recognized by CYO, it will be posted on the CYO website under the Tournaments tab. If an event is not listed, then it is not recognized by CYO.

In order to get an event recognized by CYO, a sponsoring organization must complete an Application for a Recognition, a form of which can be found in Appendix D and submit a fee of \$35. CYO will post the event information online and forward to Schools via email.

SECTION 14 – RECRUITING

Any school administrator or coach of a School shall not recruit a student athlete from another School in any form, way or means. Violation of this policy will result in the student athlete's expulsion from the CYO while the School and Team Coach may be subject to disciplinary action by the CYO. Any CYO game/competition in which a recruited athlete has participated will be declared forfeited.

SECTION 15 – TRANSPORTATION & OVERNIGHT TRIPS

According to policy established by the ADLA, Department of Catholic Elementary Schools Policy, (i) a coach should, whenever possible, have the parents of student athletes arrange for the transportation of their children. Overnight trips must be in compliance with ADLA Department of Catholic Elementary Schools Policy which schools are responsible to understand and comply with.

SECTION 16 – INSURANCE

Student athletes are covered by the ADLA, Department of Catholic Elementary Schools Insurance Policy. ADLA Insurance does cover student participation in CYO. Coverage for participation in any sports activity outside of CYO is subject to ADLA policies. Claims should be directed to the School that the student athlete represents. A copy of the insurance policy can be obtained by contacting the Archdiocese of Los Angeles, Department of Catholic Elementary Schools (213) 637-7300. Additional insurance can be purchased for summer programs by contacting the CYO Office.

SECTION 17 – AWARDS

For Conference Events, CYO presents the following awards to individuals and teams competing on the Varsity level:

Conference Champions – awarded to teams that finish in 1st place in Conference play. In the event of a tie for 1st place, each team will receive a trophy. For Conference Events, no individual or team awards are presented by CYO to individuals or teams competing in the Junior Varsity, B and C levels.

Sportsmanship Recognition – Recognizes the team(s) in conference who displays the best sportsmanship throughout the conference season. This recognition is determined as follows: At the conclusion of the conference season, each school shall submit one vote to the CYO for the team it believes exhibited the best sportsmanship throughout the conference season. A school cannot vote for itself. Any school that receives a vote will be recognized.

All Conference Recognition – awarded to individual players in conference based on a player's sportsmanship, character, ethical conduct and athletic performance. Each player named All Conference will be recognized on the CYO website. At the conclusion of the conference season, each school shall submit to the CYO Regional Representative the names of players from its school based on the above-listed selection criteria. The number of players selected from each school is based on the team's conference finish as listed below:

- 1st Place Team – 4 players
- 2nd Place, 3rd Place and Teams – 3 players each
- 4th and 5th Place – 2 players each

ARTICLE IV – SCHOOL PROVISIONS

SECTION 1 – SCHOOL ADMINISTRATORS

The direction and supervision of the athletic program at the local member level resides with the School's Principal. However, CYO strongly recommends that the School Principal appoint an Athletic Director to carry out the daily operations for the school's athletic program. The School's Athletic Director is ultimately accountable to the School's Principal. It is highly recommended that a School's Athletic Director attend the Coaching Certification Program as set forth in Section 3 below even if the Athletic Director does not coach any specific team for the School.

Upon registering with the CYO, each School shall provide annually the name and contact information for both the School's principal and Athletic Director. A School also may provide name and contact information of its Vice Principal. The School's Principal, Vice Principal and Athletic Director are collectively referred to as the Administrators. The Administrators are primarily responsible for the implementation of the CYO athletic program at the school level. Consequently, the responsibilities of the Administrators include the following:

- Review, abide by and enforce the spirit and letter of this Governing Manual.
- Establish regular communication with the CYO Office either by phone, fax or email and to periodically visit the CYO website.
- Attend or send a representative to all CYO meetings including Athletic Director Meetings and Preseason Conference Meetings
- Monitor the completion, accuracy and timely submission of required paperwork and fees to the CYO Office, including registration for Conference Events and Competition Events and coaching certification.
- Establish and monitor a process for the development of expectations, recruitment, screening, supervision and evaluation of the school's athletic program volunteers and paid staff.
- Ensure that the school's coaches are certified in accordance with Article IV, Section 3 below and that the coaches review, abide by and enforce the spirit and letter of this Governing Manual.
- Implement and monitor established standards for conduct and for eligibility for student athletes.
- Monitor the completion of Parent Consent and Emergency Release form for each student prior to start of any practice or competition and ensure that coaches maintain emergency contact information with them at all times.
- Provide a safe and healthy environment for supervised practices and games.
- Implement and monitor established standards for parents and make parents aware of the CYO Spectator Code of Conduct in Article IV, Section 6;
- Verify that member participation is only in CYO sponsored/sanctioned programs, activities and tournaments.

SECTION 2 – COACHES

The coach in the CYO plays a vital role in the student athlete's experience in team sports. CYO views each coach as a youth minister in a Catholic environment. In light thereof, each coach shall act, speak and dress in a manner consistent with the accepted code of Catholic Christian morality and professional ethics as based on the Code of Ethics as outlined by the ADLA, Department of Catholic Elementary Schools.

The following is a list of requirements and responsibilities for individuals to coach a team with a CYO School:

- A Head Coach must be at least eighteen years of age and have completed the ADLA Coaches Certification Program (see Section 3 below).
- First Aid and CPR Certification is strongly recommended and a coach should have access to a first aid kit at all practices and games.
- A coach must maintain all emergency medical information for each student athlete at all practices and games.
- A coach is required to review, understand and abide by the underlying policies, procedures, rules and regulations contained in this Governing Manual.
- A coach must have a basic understanding of the rules of the sport/competition they are coaching, including the Athletic Event Competition Rules for the sport he/she is coaching, contained in the Appendix.
- A coach must ensure that all equipment and playing fields (to include weather conditions) are safe and in accordance with this Governing Manual, including the Athletic Event Competition Rules.
- A coach is responsible for the conduct and supervision of the student athletes and the spectators for his/her team as well as supporting the officials' decisions during the game. In light of this, prior to the start of the season for any Athletic Event, CYO recommends that each coach conduct a meeting for the parents of the student athletes on his/her team to ensure that everyone thoroughly understands the policies, procedures, rules and regulations contained herein.
- A coach is ineligible to coach or assist more than one team in the same conference and shall not officiate a game in his/her conference unless approved by coaches of both teams.
- A coach shall not appear in an intoxicated condition or have in his/her possession any alcoholic beverage or illegal substance.
- A coach shall not verbally or physically abuse or assault anyone or threaten to physically attack anyone.
- A coach will also take seriously their role as a mandatory reporter of suspected child abuse.

A coach ejected from an Athletic Event will automatically be suspended for a minimum of the next two conference games, play-off games or competitions. If the ejection occurs in the last game of the season, any penalty will carry over until the next game individual is coaching.

Any individual who coaches a team without a coach's certification card and is ejected from an Athletic Event, such individual will not be allowed to coach for the remainder of the school year and will not be reinstated for the following school year until he or she obtains a Coaching Certification Card.

If a coach is ejected during the last game/competition of the season, the suspension will carry over to the next sport/competition he/she coaches. A School Administrator must notify the CYO of any ejection within twenty-four hours. A suspended Coach who participates in a game/competition will cause that game/competition to be declared a forfeit and he/she will be subject to disciplinary action by CYO.

Schools may utilize minors as young as 16 to act as Assistant Coaches provided they meet the following requirements verified by Administrator: (i) are actively involved with their Parish, (ii) are in good standing academically (min 2.0 GPA) and socially, (iii) have playing experience in the desired sport, (iv) attend PLC Coaches Certification Class (\$25 fee waived), (v) complete and submit ADLA Volunteering with Children or Youth Form (Appendix P), (vi) report time served for community service requirements at their high school. Any minor who is enlisted to coach must be supervised by an adult at all times when in contact with the student athletes.

SECTION 3 – COACHING CERTIFICATION PROGRAM

In 2006, the ADLA requested that all coaches involved with the after-school sports program of an Archdiocesan school be trained with respect to three areas: (1) Safe boundaries with the youth; (2) Health and safety concerns; and (3) Character development of all participants. At the request of the ADLA, CYO researched various programs and recommended the PLC program created by the Center for Ethical Education at the University of Notre Dame. The ADLA accepted the recommendation and in the fall of 2006, CYO introduced the PLC workshop as part of its coaching certification program.

Prior to coaching or assisting in any practice, game or competition of any sort for a School, an individual must obtain either a Coaching Certification Card or a Temporary Coaching Certification Card.

PLC certification is mandatory for all coaches who are actively involved at coaching with a School in ADLA. CYO will offer training and certification to any coach that is active with a School that participates in CYO and/or its' affiliated programs and partners as per Article III, Section 1.

In order to obtain a Coaching Certification Card, the coach must fulfill the requirements listed under the Temporary Coaching Certification Card AND attend the Archdiocesan Coaching Certification Program, PLC workshop. The Coaching Certification Card is valid for two (2) years from the date of the workshop attended. In order to obtain a Coaching Certification Card, the following requirements must be fulfilled:

- Sign the Coaches Conduct form (see Appendix E) and submit to CYO;
- Obtain live scan fingerprinting and submit a Fingerprint Verification form signed by the principal of the School (see Appendix F); and
- Attend PLC Course
- Submit a \$25 processing fee made payable to CYO

Upon receipt of all these items, CYO will issue a Coaching Certification Card that allows the individual to coach or assist in any practice or game.

Coaches may receive a Temporary Coaching Certification Card which is valid for only four (4) weeks from the date that CYO receives the required three items listed previously.

All coaches are required to have in their possession a valid CYO Certification Card during any CYO game or competition in which they are coaching. A game official, Competition Director, CYO Staff or a certified coach from the opposing team may request to see a CYO Certification Card prior to or after a game/competition. If a card is not presented, the coach will be declared ineligible to coach. If a CYO certified coach from the School is not present, the team will be declared ineligible and the game/competition will be declared a forfeit. CYO recommends that coaches carry their CYO Certification Card or a photo image of the Card with them at all times to avoid any problems.

Letters signed by a School Administrator will not be accepted in lieu of a CYO Certification Card. Replacement of a destroyed, lost or stolen CYO Certification Card requires a \$10.00 processing fee. CYO Certification Cards are non-transferable. Violation of this section will result in immediate expulsion from the CYO program. CYO reserves the right to revoke any CYO Certification Card at any time and to refuse to certify anyone it deems unfit.

SECTION 4 – ATHLETIC ELIGIBILITY FOR STUDENT ATHLETES

In order to participate in the CYO, a student athlete must meet the following general requirements:

Student athlete must be a full time student enrolled and attending classes in the School he/she represents. If a student athlete is suspended from school, the student athlete is ineligible during the period of suspension. If a student athlete transfers from a School to another School during the school year, the student athlete must receive written permission from the School in which he/she transferred from and from CYO in order to participate in the CYO during the year of transfer. Home Schooled children are not eligible to participate in CYO. If a child had been approved to participate under the prior policy, his/her status will be honored.

Student athlete must meet the School's academic requirement including conduct and effort. Each School is responsible for establishing and monitoring the academic progress of its student athletes. CYO recommends a minimum academic average of C (2.0 GPA) in all core subjects.

Student athlete must meet the School's health requirement. CYO recommends that the School obtain signed parental consent form that acknowledges the parent's consent to allow student to play and states that the student athlete is physically fit to participate in the activity.

In addition to the above-listed general requirements, each student athlete must meet specific age and/or grade level requirements:

- For Conference sports only, players are eligible to "Play-Up" a level in order to ensure a team has a sufficient roster to compete. 5/6 graders may play up on the Varsity level and 3/4 graders may play up to the B Level. There is no limitation on players moving between teams during a season. Elevated lower grade players shall not adversely impact the playing time of upper grade players.
- For Varsity level teams - A student athlete may not participate if he/she has reached his/her 15th birthday on or before June 15 (CIF Rule) prior to the upcoming school year, regardless of grade level. Student athletes in grades 4 and below are NOT eligible to play on the Varsity level. Only exception is for Soccer and Softball as they are Varsity only.

Student athletes in grades 4 and below are not eligible to play on the Varsity level. Tournaments, non-conference or friendly games do not count in this determination.

- For B level teams – A student athlete may not participate if he/she has reached his/her thirteenth birthday on or before June 15 (CIF Rule), regardless of grade level. While the B level is mainly for student athletes in grades 5 and 6, student athletes in grades 3 and 4 may participate on the B level for an Athletic Event unless otherwise stated by CYO. Student athletes in grades 7 and above and student athletes in grades 2 and below are not eligible to play on the B level.
- For C level teams – A student athlete may not participate if he/she has reached his/her eleventh birthday on or before June 15 (CIF Rule), regardless of grade level. While the C level is mainly for student athletes in grades 3 and 4, student athletes in grade 2 may participate on the C level but only if allowed by Administrators. Administrators should take into account safety concerns and whether such participation will assist the School to field a team on the C level. Student athletes in grades 5 and above and student athletes in grades 1 and below are not eligible to play on the C level.

A School is required to furnish any additional eligibility information as requested by CYO. Any violation of this Article IV, Section 4 by a School, either deliberately or unknowingly, will result in a forfeiture of every game/ competition in which the participant(s) competed. If warranted, further action will be taken by CYO on an individual basis, which may result in but is not limited to a School's probation, suspension and/or expulsion from the CYO.

SECTION 5 – SPORTSMANSHIP FOR STUDENT ATHLETES

It is the responsibility of each School, its Administrators and Coaches to ensure that each student athlete abides by the CYO Sportsmanship Code of Conduct for Student Athletes. A student athlete shall always endeavor to be Christ-like in his/her actions, words or body language and shall not:

- Verbally or physically assault anyone.
- Refuse to abide by an official's decision.
- Refuse to be respectful toward an opponent, coach, official or spectator.
- Employ or use dishonest means or tactics.
- Engage in objectionable demonstration of forceful actions such as throwing ball(s) or equipment, or kicking wall(s), equipment, benches, etc...
- Use profane, obscene or vulgar language, taunt or bait anyone.
- Use tobacco or any form of tobacco products or illegal drugs.
- Attempt to focus attention upon him/her with any delayed or prolonged act.
- Publicly discuss his/her negative opinion of an official, official's decision or the CYO.

Violation of the CYO Sportsmanship Code of Conduct for Student Athletes, which shall be determined by the assigned official for the game/competition, shall result in immediate ejection from the game. If the official's decision is not obeyed, the official has the authority to declare the game/competition forfeited by the offending team. If warranted, further action may be taken by CYO.

Any student athlete ejected from an Athletic Event will automatically be suspended for a minimum of the next two conference games, play-off games or competitions. A substitute who enters the playing field or court during a fight shall be ejected and suspended for a minimum of the next two-conference, play-off games or competitions. If a student athlete is ejected during the last game of the season, the suspension will carry over to the next sport/competition he/she enters. The coach must notify its school administrator of any ejection within twenty-four hours. A suspended student athlete who competes in a game/competition will cause the game/competition to be declared a forfeit and the student athlete and coach will be subject to disciplinary action by the CYO on an individual basis.

SECTION 6 – SPECTATORS

It is the responsibility of the Coaches and Administrators to ensure that spectators abide by the following rules. A CYO spectator shall not:

- Be on the playing field or court during the game/competition.
- Shout instructions or criticism to anyone.
- Use profane, obscene or vulgar language.
- Verbally or physically abuse or assault anyone.
- Approach an official, supervisor, coach or anyone else associated with the event.

Violators of the CYO Spectators Code of Conduct, which shall be determined by the assigned game/competition official or supervisor, may result in removal from the facility. If the officials' or supervisor's decision is not obeyed, the official has the authority to declare the game/competition forfeited by the offending team. If an offending party is not affiliated with either playing team, representatives from both Schools should work together to resolve the matter. If warranted, further action will be taken by CYO Staff.

ARTICLE V – ATHLETIC EVENT PROVISIONS

SECTION 1 – PLAYING TIME

As a Catholic youth sports conference, it is important for all coaches, parents and spectators to remember that the sport activity is for the children. Children want to play and without the opportunity to play, a child's growth can be negatively impacted. Based on these precepts, CYO has established the recommendations listed below regarding playing time. These guidelines apply to all regular season conference games in which a team plays. However, a coach may have discretion with respect to the participation mandate as it relates to a student athlete who has not attended practice or is having behavioral issues.

All C athletes on a team in comparison to their own team members should participate more or less equally in every game or match. All B and Junior Varsity athletes on a team should participate in each game or match. In addition, it is recommended that all B and Junior Varsity athletes in comparison to their own team members should participate more or less equally over the course of the entire season. Lastly, it is highly recommended that all Varsity athletes participate in each game, with each player getting 25% playing time. A School is able to add one JV Team and as many B and C teams as deemed necessary in order to meet the above recommendations.

In order to ensure successful achievement of the playing rules listed above, CYO recommends the following strategies to consider:

- Plan ahead and prepare a detailed substitution pattern before each game.
- Stick to playing time commitments, regardless of the game situation.
- If possible, have assistant coaches keep track of playing time.
- Take advantage of lopsided circumstances and give more time to less-used players or schedule additional “friendly” games to allow less-used players the opportunity to play more.

SECTION 2 – START TIME AND GRACE PERIOD

The official starting time for games is what is set forth in the Final Game Schedule. No athletic games shall occur prior to 12 pm on Sundays and no athletic games shall be scheduled to begin after 8 pm on any day. While teams are encouraged to arrive at least 30 minutes prior to their scheduled start time, a twenty-minute grace period will be allowed for teams taking place in a home and away schedule format. However, there is no grace period for teams participating in a centralized facility schedule format.

SECTION 3 – POSTPONEMENT OR RESCHEDULING

Except as stated below, it is not acceptable for a team to postpone or reschedule any of its Athletic Events after the Final Game Schedule has been issued. In light of this, it is imperative that the Administrators and coaches of a School communicate with each other to ensure that the Final Game Schedule is without conflict. Otherwise, the team being asked or affected by the request to postpone or reschedule a game may decline the request and report the result as a win due to forfeit if the requesting team does not adhere to the original schedule.

If a requested team agrees to postpone or reschedule a game, it does so at its own risk. If two teams agree to postpone or reschedule an Athletic Event that is scheduled at a centralized facility not within the permitted exceptions below, both teams must still pay the official’s fee and any other fee associated with staffing at the centralized facility. A School that cancels a game that has been confirmed and posted online, must reschedule and play that game within 10 days of the originally scheduled date & time or prior to the final Sunday, whichever is sooner.

Permissible exceptions are (i) inclement weather, (ii) unsafe playing field or condition, (iii) the unavailability of the playing field or location due to circumstances outside the control of the participating team and (iv) an emergency declared by the team’s school administrator only. Events that are postponed or rescheduled for these reasons shall be played as soon as possible and, for varsity level games, must be completed by the date that CYO states all conference games must be completed. Otherwise, these games will be treated as if they were not played.

SECTION 4 – FORFEITURE

A team that fails to meet its playing obligations at a scheduled game shall forfeit the game and take a loss. In addition, a forfeiting team is responsible for all officiating fees and any other fees associated with the forfeited game which is CYO has set at \$100, payable to CYO. Schools that consistently forfeit games will be subject to disciplinary action by the CYO, which may result in, but is not limited to: Probation, suspension or expulsion from the CYO program.

SECTION 5 – REPORTING GAME RESULTS

The coach of the winning team is required to submit the results of the game to the CYO Regional Representative within two business days of the completion of the game. CYO requires that coaches document when and to whom they reported the score.

SECTION 6 – PROTEST

A formal protest is a written objection directly associated with the Governing Manual. Protests cannot be filed on a game official's judgment. A protested game must be verbally stated to the opposing coach and game Official at any time prior to leaving the field of play. All protests must be signed by a School Administrator and certified coach, be accompanied by a \$50 protest fee and received by CYO within two business days from the date of the game. The written protest must contain the following information:

- Date, time and site of game.
- Sport, level and conference name.
- Teams involved (school and city).
- Name of official(s) if possible.
- CYO Policy, Procedure, Rule or Regulation section violated.
- Factual account of the incident(s) that caused the protest.

CYO reserves the right to investigate any situation that appears to be in direct conflict with the Governing Manual. Investigations will be handled on an individual basis depending on the severity of the violation and may result in any action listed in Article I, Section 3 of this Governing Manual. CYO will issue a written decision within five days of receipt of the protest.

If a coach withdraws his/her team from the field, floor or court prior to the completion of the game, the game will result in forfeiture to that team and the coach may be subject to further action by CYO. When a school fails to complete a contest, due to a coach pulling his/her team from the field, floor or court, it is mandatory that CYO be notified by the school administrator within twenty-four hours (excluding holidays and weekends).

SECTION 7 – VIDEOTAPING

Under no circumstance may a school administrator, Coach, student athlete or spectator visually record (regardless of the medium) a contest that does not involve their school team. Exceptions: Competitions.

Added to all Sport Appendices

SECTION 8 – CYO PLAYOFFS

CYO provides playoff qualification information for each varsity level Conference Event at the Preseason Conference Meeting. In the event teams tie in the conference standings, the first tiebreaker to determine playoff qualification is head-to-head competition. The second tiebreaker is a coin flip conducted by CYO unless the teams agree to a one game playoff at a neutral site if time permits.

Note: In cases where more than two teams tie and the head to head tiebreaker does not resolve the positioning, the coin flip tiebreaker shall determine the final conference placement for all teams who are in a tie after the regular season. Coin tosses will be held at CYO offices and conducted by at least two CYO Staff using Random.org. Coin tosses will be held on Monday prior to playoffs, ~~at 12:00 PM~~. One Coach or Administrator of an affected team are welcome to attend the coin toss. All coin toss results are final and valid.

CYO will monitor and confirm Schools that qualify for playoffs during the playoff seeding process. CYO Playoff brackets and locations will be posted on its website as soon as possible upon conclusion of the regular season. Whenever a CYO playoff game is scheduled for an alternate gym, neither team will be permitted to practice in that gym prior to the contest. An alternate gym is defined as any site on which a team does not conduct regular practice.

There is no grace period for CYO playoff games. Teams should arrive at the site thirty minutes prior to their game time. The CYO playoffs are conducted under the management of the CYO. CYO playoffs are single elimination except for the Final Four.

CYO will make arrangements for officials during the playoffs. Each school is responsible for payment of one official for each game (\$30.00). Payment for the officials must be made at the door when checking in for the playoffs. NOTE: If three officials are utilized the cost will be split between the two schools. Coaches must present their Coaching Certification Card when checking in for the playoffs and to the officials prior to the game. Protests cannot be filed during the CYO playoffs. Coaches may appeal to the officials, but the official's decision will be final. Schools failing to meet their obligation as participants in the CYO playoffs will be assessed a \$100.00 penalty fee.

Admission will be charged at the CYO playoffs, competitions and tournaments. Admission prices are established by the CYO. For 2013-14, the admission prices are \$5 per adult. Exceptions: (a) ADLA Faculty with proper identification; (b) Catholic Religious; (c) Student athletes and CYO registered cheerleaders in uniform; (d) CYO Coaches with a CYO Certification Card; (e) One student manager (grade 4-8); and (f) CYO Staff and working volunteers; (g) CYO Advisory Board Members; (h) CYO Lifetime Card Holders. CYO reserves the right to refuse admission to any individual/group to any CYO game/competition.

- A. A front-row player may complete an attack hit at any height, provided that the contact with the ball has been made within the player's own playing space.

C. Libero re-designation and disqualifications:

1. Injury substitution: If the Libero is injured and cannot continue play, he/she must first be replaced by the player whom he/she replaced. A new Libero may then be re-designated using the following criteria:

 - c. The injured Libero may not play in the remainder of that set
 - d. The player re-designated as the Libero must wear a Libero uniform and must remain the Libero for the remainder of the set. The re-designated Libero's uniform must have a unique number (not worn by any teammate).

3. Disqualification substitution: The Libero may not be used as a substitute for a disqualified teammate.
4. Libero disqualification: If the Libero is disqualified while playing, he/she must be replaced by the player whom he/she replaced. The team continues to play with no Libero.

D. A Libero replacement is illegal when:

1. The Libero or the replacement is in the set without following the required replacement procedure
2. The Libero or the replacement is not listed on the roster
3. A Libero other than the Libero designated on the lineup for that set replaces a player on the floor.

E. Libero serving:

1. The Libero will be allowed to serve in one rotation

3. Block or attempt to block
4. Rotate to the front row

G. Penalties

If identified after whistle/signal for serve, illegal alignment results (loss of rally/point). In all cases, the illegal Libero must enter legally or be replaced by a legal player.
2. For the serving team, any points known to have been scored during a term of service in which an illegal Libero is discovered in the set, shall be canceled.
3. For the receiving team prior to the contact of the serve by the opposing team, all points earned during the previous term of service by the violating team while the illegal Libero was in the set, shall be canceled.

All special rules shall be announced.
- D. The field should be clearly marked. Markings should include flags on foul poles along the foul lines past first and third and vertical foul line markings on any wall that limits the outfield.
- E. For special field condition, such as drain pipe that makes a spot where it is impossible or very difficult for a fielder to retrieve the ball, the ball should become dead if it goes to that spot and each runner's advance should be limited to two bases.
- G. A team must begin the game with nine players and may continue with eight.
- E. The pitcher has a choice of balls at the start of each half inning except if one is unused after the top half of the first inning.
- F. A regulation game is six innings unless extra inning(s) are necessary because of a tie score.
- G. In the case of time, weather or darkness, three complete innings constitutes a complete game.
- H. A regulation game ends if:
1. a team leads another by ten runs after three complete Innings. If home team is up by ten runs at the bottom of the third inning or thereafter, it does not bat. If the home team is batting in the bottom of the third inning or thereafter and increases its lead to ten runs the game is to be halted by the umpire regardless of outs. Violation of this section will result in a loss for both teams.
 2. in the umpire's judgment, darkness and/or inclement weather interferes with play and if three complete innings have been played.
 3. time limit expires. New inning(s) may not start after one and half hours of play from the starting time. Team scorekeepers are recommended to note the starting time at the top of the scoring book. In a discrepancy the home team scoring book is the official scoring book.
Note: The time limit supersedes the inning rule.
 4. an emergency is declared by the umpire.

14. Infield-Fly

A. A fair fly (not including a line drive or an attempted bunt) which can be caught by an infielder with ordinary effort; and provided the hit is made before two are out and at a time when first and second bases or all bases are occupied. When it seems apparent that batted ball will be an infield fly, the plate umpire immediately announces it for the benefit of the runner. If the hit should then prove to be foul, the decision is reversed and it is treated the same as any foul.

15. Strike Zone

- A. The strike zone shall be between the batter's armpit and the top of the knees when the batter assumes a natural batting stance.
- B. Any part of the ball passing through the strike zone shall be considered a strike.
- C. The umpire shall determine the batter's strike zone according to the batter's usual stance when swinging at a pitch.

16. Charged Conferences

- A. Each team, when on defense, may be granted no more than two charged conferences during a game, without penalty, to permit coaches or their representative to confer with a defensive player(s).
- B. In any extra inning game, each team shall be permitted one charged conference each inning while on defense without penalty.
- C. The number of charged conferences permitted is not cumulative.
- D. A request for time for this purpose may be made by a coach, player, substitute or any attendant. Penalty: After two charged conferences in a six-inning game, or for any charged conference in excess of one in each extra inning, the pitcher shall be removed as pitcher for duration of game.
- E. Each team when on offense may be granted not more than one charged conference per inning to permit the coach or any of that team's personnel to confer with base runners, the batter, the on-deck batter or other offensive team personnel.
- F. When either team has a charged conference, the other team may also have a conference which is not charged provided the non-charged conference concludes when the opposing team's charged conference concludes, thus not delaying the game.

17. Pitching

- A. Prior to starting the delivery (pitch), the pitcher shall take a position with the pivot foot on or partially on the top surface of pitcher's plate and the non-pivot foot in contact with or behind the pitcher's plate. Both feet must be on the ground within or partially within the 24" length of the pitcher's plate.
- B. Prior to pitching the pitcher must take a position with shoulders in line with first and third base with the ball in the glove or pitching hand and with the hands separated.
 - 1. While in this position, the pitcher shall take (or simulate taking) a signal from the catcher.
 - 2. After completing (1) the pitcher shall bring the hands together in front of the body for not less than one second and not more than ten seconds before releasing the ball. Note: The hands may be motionless or moving.
- C. The pitcher shall not be considered to be in pitching position unless the catcher is within the lines of the catcher's box and in position to receive the pitch.
- D. The pitcher may not take the pitching position on or near the pitcher's plate without having possession of the ball.
- E. The pitch starts when one hand is taken off the ball or the pitcher makes any motion that is part of the wind-up after the hands have been brought together.
- F. Once the hands are brought together, the pitcher shall not take more than one step, which must be forward, toward the batter and simultaneous with the delivery.

- G. A step backward must begin before the hands come together. The step may end before or after the hands come together. Towards is interpreted as within or partially within the 24" length of the pitcher's plate.
- H. All defensive players, other than the catcher, shall be in fair territory at the time of the pitch.
- I. The pivot foot may remain in contact with or may push off and drag away from the pitching plate prior to the front foot touching the ground, as long as the pivot foot remains in contact with the ground.
- J. Pushing off with the pivot foot from a place other than the pitcher's plate is illegal.
- K. It is not a step if the pitcher slides her foot in any direction on the pitcher's plate, provided contact is maintained.
- L. Techniques such as the "crow hop" and "the leap" are illegal.
- M. A legal delivery shall be a ball that is delivered to the batter with an underhand motion.
1. The release of the ball and the follow through of the hand and wrist must be forward past the vertical line of the body.
 2. The hand shall be below the hip and the wrist not farther from the body than the elbow.
 3. The pitch is completed with a step toward the batter.
- N. The pitcher may use any wind-up desired providing:
1. No motion to pitch is made without immediately delivering the ball to the batter.
 2. The pitcher does not use a rocker action in which, after having the ball in both hands in pitching position, removes one hand from the ball, takes a backward and forward swing and returns the ball to both hands in front of the body.
 3. The pitcher does not use a wind-up in which there is a stop or reversal of the forward motion.
 4. The pitcher does not make more than one revolution of the arm in the windmill pitch. A pitcher may drop the pitching arm to the side and to the rear before starting the windmill motion. The ball does not have to be released the first time past the hip.
 5. The pitcher does not continue to wind-up after taking the forward step that is simultaneous with the release of the ball.

18. Pitching Infractions

- A. The pitcher shall not:
1. Deliberately drop, roll or bounce the ball while in pitching position in order to prevent the batter from striking it.
 2. at any time during the game be allowed to use tape or other substance on the ball, contact points of the pitching hand or fingers, nor shall any other player apply a foreign substance to the ball. Under the supervision and control of the umpire, powdered resin may be used to dry the hand.
- B. Once the ball has been returned to the pitcher, she has twenty seconds to release the next pitch. PENALTY: (SEC. A & B) Any infraction is an illegal pitch. The batter is awarded a ball, and base runners are awarded one base without liability to be put out. If the pitcher completes the delivery of the ball to the batter and the batter hits the ball, the coach of the team at bat shall have the option of the result of the play or the penalty for an illegal pitch. A delayed dead ball will be signaled by the umpire by extending his or her left arm horizontally.
- C. No pitch shall be declared when:
1. the pitcher pitches during the suspension of play.
 2. the pitcher attempts a quick return of the ball before the batter has taken position or is off balance as a result of a previous pitch.
 3. the runner is called out for leaving a base too soon.
 4. the pitcher pitches before a base runner has retouched the base occupied after a foul ball has been declared and the ball is dead.
 5. a player, manager or coach calls "Time" or employs any other word or phrase or commits any act while the ball is alive and in play for the obvious purpose of trying to make the pitcher commit an illegal pitch.

D. At the beginning of each inning or when a pitcher relieves another, no more than one minute may be used to deliver no more than five balls to the catcher or other teammate. The one-minute time limit begins from the third out of the previous half-inning. Play shall be suspended during this time.

PENALTY: For excessive warm-up pitches a pitcher shall be penalized by awarding a ball to the batter for each pitch in excess of five.

E. If the ball slips from the pitcher's hand during the back swing, it shall not be a pitch. If the ball slips during the forward motion, a ball is called on the batter. In either case the ball remains in play and runners may advance at their own risk.

F. The pitcher shall not throw to a base while a foot is in contact with the pitcher's plate after having taken the pitching position.

G. The pitcher shall not deliver a pitch until all defensive players are positioned in fair territory, except the catcher who must be in the catcher's box.

PENALTY: For infraction of SEC E & F- Illegal pitch, the ball is dead immediately. A ball is called on the batter and all runners advance one base without liability to be put out.

19. Base Running

A. Stealing home is not permitted. If a runner steals home and contacts the plate she will be declared out. A runner on third base may legally advance to home plate when:

1. She is batted in.
2. She is forced in.
3. A play is made on a runner at any base.

B. A legal slide can be either foot first or head first. If a runner slides feet first, at least one leg and buttock shall be on the ground. If a runner slides, runner must be within reach of the base with either a hand or a foot when the slide is completed.

3. The runner goes beyond the base and makes contact with or alters the play of the fielder.
4. The runner slashes or kicks the fielder with either leg.
5. The runner tries to injure the fielder.

20. Extra Innings

A. If the score is tied after six complete innings and/or the time limit has expired, play shall continue using the California Tie Breaker Rule:

1. The player that made the last out in the prior inning begins on second base. The team then has three outs to score one or more runs.
2. The opposing team will do the same after the third out.
3. This continues until one team scores more runs than the other in an equal number of complete innings unless the home team leads.

21. Suspended game

A. A game called for any reason where a winner cannot be determined will be treated as a suspended game.

B. A suspended game shall be continued from the point of suspension with the line-up and batting order of each team exactly the same as the line-up and batting order at the time of the suspension

C. A game shall be forfeited to the offended team by the umpire when a team is twenty minutes late for a scheduled game time or refuses to continue play after the game has started.

D. Score of a forfeited game is 7 to 0 except if the game is forfeited after the number of innings required for a regulation game and the offending team is behind. Then the score remains as recorded. If the offending team is leading, the score shall be 7 to 0.
