**Collegiate**

- University of Portland, 1986-1987

**High School**

- Liberty High School, 1983 - 1986

**Coaching Summary/Philosophy**

To create a program that enriches the kids on and off the field through the vehicle of soccer. So many great opportunities that soccer can create for kids if they are given the right tools to succeed.

## **Most Memorable Soccer Highlight**

Scoring a hat-trick in the state finals for my high school in our senior year to win the state championship and bring home the first team championship in school history.

Playing in a total of four state championship games and winning 3 of them. Playing for a team that won 3 state championships in a row, 2 regional finals - winning 1, and then winning the national championship in 1983.

Playing a Friendly against the San Jose Earthquakes with our U18 team

## **Personal/Other**

Married to my wife Heidi for 20 years and have 2 daughters currently playing soccer now in our club.
