Kristen Williams  
508-314-8795  
swierky43@comcast.net

Thank You to all the sponsors  
and their support

Hunters Run Foundations mission is to bring awareness to the importance of Organ Donation. It also serves to help local charities as well as Boston Children's Hospital and Donate Life. Hunter's Run Foundation will also reach out to local residents and help them in the time of medical needs. Hunter is a 9 year old Medfield resident and a two-time double lung transplant recipient. Without his donors, Hunter would not be with us today. Please come and support this amazing cause and help us raise awareness about the critical need to increase the number of registered as organ donors and the impact it creates.

### Race Features:

- T-Shirts Guaranteed to all recipients who register by March 15<sup>th</sup>.
- Race Results provided Granite State Chip Timing.
