Old Business Updates – Brick pavers –Mr. Cupp has given PRABC a final cost for each brick which will include installation and engraving. Dave will have the website set up for people to purchase the bricks on-line and be able to pay for them on-line as well as give information on what should be engraved on the brick (up to three lines). We would like information to be on the PRHS and PRMS websites and daily announcements made.

Mr. Rogers will turn in a facilities alteration form to central office this week to get the ok for the placement of the pavers. Once this occurs, we can start selling the bricks.

New Business – Sponsorship ideas – Lots of time was spent discussing the silent auction. We have confirmed a date of May 30, 2014 at Pine Lake Country Club. Food stations will be set up and space will be available for silent auction items and the live auction. The auction committee will begin having meetings to make more detailed plans.
