

## Information Bulletin

February 13, 2014

Starting this week, 2/15/2014, the officials will no longer be conducting stick checks following goals at ANY level. Instead, the officials will be doing equipment checks at the end of the first and third quarters, and possibly during time-outs, as well, with a goal of two equipment checks per team.

Head Coaches will have the opportunity to request an equipment check on any player of the opposing team during dead-ball situations. If the initial equipment check finds no violation, any subsequent request for an equipment check that also finds no violation will cost the team a time out. If the team is out of time outs, a technical foul will be assessed.
