#### INJURED PLAYER REDUCTION OF DUES POLICY

If a player misses more than 50% of the season due to injury (measured by days missed, not games missed), they are eligible for a reduction of dues. The reduction of dues will be prorated based on the percentage of the season played. Medical documentation will be required.

Note: This policy was proposed by Jason Habrock, DYHA President, at the February 2015 DYHA Board meeting. The motion was seconded by Kim Taylor and passed unanimously with Dawn Kramer abstaining from the vote.
