

Business Sponsorship Form

Advertise your business by supporting the Newton Girls Softball program

Newton Girls Softball has developed a wonderful community over the past decade+, which depends on more than just the energy of our players and volunteers. Not only do we want to keep our registration fees affordable for all families, we would also like to invest in improvements to instruction, equipment and fields. Additionally, we have started the Doug Clott and Melinda Roman Newton Girls Softball Scholarship, which will award two graduating seniors each year a one-time \$1,000 scholarship towards their college tuition.

Please consider sponsoring Newton Girls Softball by donating a gift certificate or other item of value for the silent auction at our Evening Gala on June 2nd. Our community of softball families will recognize your support, and softball players both today and in years to come will appreciate your generosity.
