Rule modifications for the tournament are as follows:

- If you are having a player join your team for the tournament they **cannot** be from a higher division (even if the same age). Guest players are only to be used in order to get a full roster for a game.
- If a player is found to be playing on the team from a higher division, that team will be removed from the tournament, no exceptions

Extra Innings

- If game is tied after time has expired or innings limit, California rules will be used in extra innings
 - Last batter out in previous inning starts on second base with 1 out
 - Play until winner is decided
