

# Spring Fundraiser

# CHESHIRE LACROSSE

Cheshire, CT

We are happy to announce a partnership with New Look Restoration LLC!

Past members, Catherina and Chuck Carlette, will donate \$50 to our organization for every power washing project referred by Cheshire Lacrosse Members. New Look Restoration has invested in equipment that pressure washes with water heated to over 200 degrees, for a squeaky clean finish. Have the outside of your home, deck or patio looking new and contribute to our fundraising efforts at the same time!

Cheshire Lacrosse will be provided with a monthly statement and donation to ensure full accountability. Please make sure to notify New Look Restoration of your affiliation to generate full credit.

Average Ranch- \$350

Average Colonial- \$400

Add: Concrete/Stone Pool Patio - \$200

Decks Cleaned and Refurbished – Estimates Provided

Availability is limited, call today to schedule for April!
