

Northwestern Soccer

Sponsorship Opportunities

<http://www.nyaatigers.org/soccer>

The philosophy of Northwestern Soccer is to give every interested child the opportunity to play this great game. We do this by encouraging participation with very low registration fees. While we have kept our fees low, our costs unfortunately keep rising. With the ever increasing cost of insurance, uniforms, officials and league fees, we look to our community for continued support. Without sponsorships, registration fees for our players would have to be raised as well. Through your generous contributions, our player registration fees have remained affordable. Please consider being a sponsor for our youth soccer program. Our sponsorship opportunities are set up in tiers and are listed below.
