

About the Northwestern Youth Athletic Association

The NYAA is a registered 501c(3) youth sports organization serving the Northwestern Lehigh School District area, providing educational athletic opportunities that range from recreational to competitive for pre-school through high school aged boys and girls.

We consist of all volunteers that range from directing, coaching and coordinating all of our youth athletic programs to maintaining our playing fields. Even this brochure was designed free of charge by a parent volunteer.

NYAA Youth Girls Softball

Support Youth Softball Programs

In 2009, the NYAA youth softball program had 105 players. Today, we provide the opportunity to learn and play the game of softball to over 150 girls! With continued growth and participation in youth softball, we are committed to improving our softball program.

Join us in our efforts to provide quality educational athletic opportunities to youth girls.

Become an NYAA Softball Team Sponsor today!

Your sponsorship truly makes a difference in providing quality experiences for our local youth girls.

Keep Kids on Fields

The NYAA is solely managed and funded by parents and members of the local community. We would like to continue to offer our youth and their families a reasonable registration fee for recreational and competitive softball so that every girl interested in the game may participate. Your tax-deductible donation to the NYAA helps to subsidize our softball field maintenance and repair, equipment purchases, tournament fees and uniforms.

Area businesses have always been an integral part of the NYAA's success and we thank you for your support.

The Northwestern Youth Athletic Association is a registered 501(c)3 organization. Your gift is tax deductible to the full extent allowed by law.

Supporting area youth sports organizations sets an example for children to see community teamwork in action.
