- What is the object of lacrosse?
 - The object is to put the ball into your opponent's goal.
- How does the game begin?
 - A lacrosse game begins with a face off at the midfield line at the X spot in the center of the field.
- What is a face off?
 - A face off consists of the two center players at the mid-field line crouching down and placing their sticks on the ground so that the heads of the sticks have their backs to each other. The official then places the ball on the ground between the heads of the sticks, steps back and blows a whistle which signals to the players they can fight for possession of the ball.
- When are face offs used?
 - At the beginning of a game, at the beginning of each quarter and after each goal is scored.
- How many men are there on a lacrosse team?
 - Squads range from 25 to 30 men normally.
- How many men are there on the field for one team?
 - There are ten men consisting of one goaltender, three defense men, three midfielders, and three attack men.
- What are the goaltender's special privileges?
 - He uses the largest stick on the field with a maximum width of 12 inches. He is the only one allowed to use a stick this large. He cannot be checked if he has gained possession of the ball within the crease area nor is an opponent allowed in the crease area.
- What is defined as "in the crease area"?
 - A goaltender is considered in the crease as long as he has one foot on or within the 18-foot diameter circle. If he lifts his foot up and puts it back down while in the possession of the ball, it is called "out and in" and he loses possession of the ball.
- How long can a goaltender stay in the crease with the ball?
 - A goaltender has four seconds to step out of the crease or throw the ball to a teammate. If he does not do this, he loses possession of the ball.

MEN'S LACROSSE RULES:

Men's lacrosse is a contact game played by ten players: a goalie, three defensemen, three midfielders and three attackmen. The object of the game is to shoot the ball into the opponent's goal. The team scoring the most goals wins.

Each team must keep at least four players, including the goalie, in its defensive half of the field and three in its offensive half. Three players (midfielders) may roam the entire field.

Collegiate games are 60 minutes long, with 15-minute quarters. Generally, high school games are 48 minutes long, with 12-minute quarters. Likewise, youth games are 32 minutes long, with eight-minute quarters. Each team is given a two-minute break between the first and second quarters, and the third and fourth quarters. Halftime is ten minutes long.

Teams change sides between periods. Each team is permitted two timeouts each half. The team winning the coin toss chooses the end of the field it wants to defend first.

The players take their positions on the field: four in the defensive clearing area, one at the center, two in the wing areas and three in their attack goal area.

Men's lacrosse begins with a face-off. The ball is placed between the sticks of two squatting players at the center of the field. The official blows the whistle to begin play. Each face-off player tries to control the ball. The players in the wing areas can run after the ball when the whistle sounds. The other players must wait until one player has gained possession of the ball, or the ball has crossed a goal area line, before they can release.

Center face-offs are also used at the start of each quarter and after a goal is scored. Field players must use their crosses to pass, catch and run with the ball. Only the goalkeeper may touch the ball with his hands. A player may gain possession of the ball by dislodging it from an opponent's crosse with a stick check. A stick check is the controlled poking and slapping of the stick and gloved hands of the player in possession of the ball.

Body checking is permitted if the opponent has the ball or is within five yards of a loose ball. All body contact must occur from the front or side, above the waist and below the shoulders, and with both hands on the stick. An opponent's crosse may also be stick checked if it is within five yards of a loose ball or ball in the air. Aggressive body checking is discouraged.

If the ball or a player in possession of the ball goes out of bounds, the other team is awarded possession. If the ball goes out of bounds after an unsuccessful shot, the player nearest to the ball when and where it goes out of bounds is awarded possession.

An attacking player cannot enter the crease around the goal, but may reach in with his stick to scoop a loose ball.

A referee, umpire and field judge supervise field play. A chief bench official, timekeepers and scorers assist.

MEN'S LACROSSE POSITIONS:

Attack:

The attackman's responsibility is to score goals. The attackman generally restricts his play to the offensive end of the field. A good attackman demonstrates excellent stick work with both hands and has quick feet to maneuver around the goal. Each team should have three attackmen on the field during play.

Midfield:

The midfielder's responsibility is to cover the entire field, playing both offense and defense. The midfielder is a key to the transition game, and is often called upon to clear the ball from defense to offense. A good midfielder demonstrates good stick work including throwing, catching and scooping. Speed and stamina are essential. Each team should have three midfielders on the field.

Defense:

The defenseman's responsibility is to defend the goal. The defenseman generally restricts his play to the defensive end of the field. A good defenseman should be able to react quickly in game situations. Agility and aggressiveness are necessary, but great stick work is not essential to be effective. Each team should have three defensemen on the field.

Goal:

The goalie's responsibility is to protect the goal and stop the opposing team from scoring. A good goalie also leads the defense by reading the situation and directing the defensemen to react. A good goalie should have excellent hand/eye coordination and a strong voice. Quickness, agility, confidence and the ability to concentrate are also essential. Each team has one goalie in the goal during play.

MEN'S LACROSSE EQUIPMENT:

The Crosse:

The crosse (lacrosse stick) is made of synthetic material, with a shaped net pocket at the end. The crosse must be an overall length of 40 - 42 inches for attackmen and midfielders, or 52 - 72 inches for defensemen. The head of the crosse must be 6.5 - 10 inches wide, except a goalie's crosse which may be 10 - 12 inches wide. The pocket of a crosse shall be deemed illegal if the top surface of a lacrosse ball, when placed in the head of the crosse, is below the bottom edge of the side wall.

The Ball:

The ball must be made of solid rubber and can be white, yellow or orange. The ball is 7.75 - 8 inches in circumference and 5 - 5.25 ounces.

The Helmet:

A protective helmet, equipped with face mask, chin pad and a cupped four point chin strap fastened to all four hookups, must be worn by all men's players. All helmets and face masks should be NOCSAE (National Operating Committee on Standards for Athletic Equipment) approved.

The Mouthpiece:

The mouthpiece must be a highly visible color and is mandatory.

The Glove:

All players are required to wear protective gloves. The cutting or altering of gloves is prohibited.

Protective Equipment

All players, with the exception of the goalkeeper, must wear shoulder pads. Arm pads and rib pads are also strongly recommended and often required, as are athletic supporters and protective cups for all players.

The goalkeeper is required to wear a throat protector and chest protector, in addition to a helmet, mouthpiece and gloves.

MEN'S LACROSSE PERSONAL & TECHNICAL FOULS:

There are personal fouls and technical fouls in boy's lacrosse. The penalty for a personal foul results in a one to three minute suspension from play and possession to the team that was fouled. Players with five personal fouls are ejected from the game. The penalty for a technical foul is a thirty-second suspension if a team is in possession of the ball when the foul is committed, or possession of the ball to the team that was fouled if there was no possession when the foul was committed.

NOTE: The US Lacrosse Youth Council has developed modified rules for ages 15 and under play. To get a copy of these rules contact US Lacrosse at 410.235.6882.
