TRYOUT ATTENDANCE: At NLLN we want to preserve the enjoyment and love that our kids have for baseball. We do not want to place kids in situations where there is little chance of success. Because of this it is **essential** that all players league age 8-12 attend and participate in tryouts. Each child is evaluated by team managers during try-outs, which provides them with the information needed to plan for the draft. Some points to be aware of:

- **Age 12: Required** to participate in tryouts and will be selected to play on a Majors team. Parents may complete a waiver to allow them to stay in Minors AAA. Please contact the Player Agent for more details.
- **Age 11: Required** to participate in tryouts and will be available for selection by a Majors team. If not selected by a Majors team, will be selected by an AAA Minors team. **A player league age 11 that does not participate in tryouts will be selected by an AAA Minors team and will not be eligible to pitch during the entire season.**
- **Age 10: Required** to participate in tryouts and will be available for selection by a Majors team. If not selected by a Majors team, will be available for selection by an AAA Minors team. If not selected by an AAA Minors team, will be selected by an AA Minors team.
- **Age 9: Required** to participate in tryouts and will be available for selection by an AAA Minors team. If not selected by an AAA Minors team, will be selected by an AA Minors team.
- **Age 8: Required** to participate in tryouts if you want to be made available for selection by an AAA or AA Minors team. If not selected by an AAA Minors team, will be available for selection by an AA Minors team. If not selected by an AA Minors team, will be placed on a Rookie team.
- **Age 7: No participation in tryouts is required**, will be placed on a Rookie team. **Can elect to participate** in tryouts and be available for selection by an AAA Minors team or an AA Minors team. If not selected by an AAA Minors or AA Minors team, will be placed on a Rookie team.
