

## PHBA Batting Cages Rules for Use

- Only one Coach or one Manger allowed in the cage at a time.
- Only one player allowed in the cage at a time .
- Players are Forbidden to use the pitching machine - **No exceptions**
- Bats are **not** to be swung in the corridor between the batting cages and the conference room.
- Managers and/or Coaches that are using the batting cages must be in control of their players at all time, (zero horse play). This includes no throwing the ball against the building or against the any chain link fence.
- All Batters are to wear a Helmet with a C flap or full cage at all times while in the cage.
- No metal cleats are allowed in the cages.
- The batting cage door must be kept closed when cage is in use.

***Note: These rules will be strictly enforced. Any coach and/or manager that cannot follow these rules will immediately lose their batting cage privilege for the remainder of the season.***
