2017 Season

Organization

We are a group of dedicated parents, volunteers, and coaches looking to make a difference in our community through sports and life experiences.

Thunder's Mission

The East Orange Thunder is committed to being Orlando's most popular and outstanding youth football and cheerleading program as judged by peers, our high school programs and the communities in which we serve. We will be guided by our philosophy and mission guideline, which are:

- /// Serve as positive role models to our youth.*
- /// Work tirelessly to build the self-esteem and moral foundations of our youth so they can confidently pursue and achieve their academic, athletic, and life goals.*
- /// Provide superior coaching and mentoring to all athletes.*
- /// Offer a safe, competitive, and scalable league for athletic competition.*
- /// Be a partner to our community to prepare youth athletes for ascending level of competition and life.*
- /// We will foster teamwork, compassion, and charity within our communities for the betterment of our collective program and partners.*

East Orange Thunder was created to ensure that all children would have an opportunity to participate and compete in a fun and exciting atmosphere no matter their physical makeup, while ensuring that they have the best coaches, volunteers, and role models. All coaches are certified and background checked in order to provide a best in class level for our children. We promote and reward education and educational achievements and ensure our athletes have fun and are safe. We find it vital to instill a sense of family, respect, integrity and community throughout our organization.

We realize that you receive many requests for donations and sponsorships. We feel that our advantage is our commitment to becoming a partner with the local community and promoting our partners heavily to our Thunder family, league, and community. This is an opportunity to assist the young athletes in the community and also promote your services and products. All donations and sponsorships that are made to the organization are tax deductible. Sponsors will receive a receipt for tax reporting purposes at the time of donation. We have a variety of sponsorship opportunities to suit your budgets. No donation is too large or too small. Every dollar raised goes into the organization to help enrich the experience of every athlete. The ultimate goal of our organization is to have as many children be part of the organization as possible by ensuring that all costs are covered.

Sincerely,

East Orange Thunder
