Name: Michael Pittroff

Provide any personal information you would like voters to know. (Please include where you live in the community and for how long, number of children active in CCYHA, brief information about your professional background, and anything else you consider pertinent):

I live in Powell, OH with my wife Trina and our four children (Helena 13, Brock 12, Nolan 9, Landon 8). We have lived in Powell since 2005, and are active members of Gateway Community Church in Powell where I am involved with the church band and Trina is involved in Children's ministries. All three of our sons play in CCYHA (Brock – PeeWee House and PeeWee Select, Nolan - Squirt House and Squirt Select, and Landon – Mite) and I have been involved with CCYHA for seven years. My daughter is in competitive Cheer. I have worked for GE Healthcare for the past 19 years, and work with AdvoCare International.

Summarize any previous CCYHA volunteer experience or similar experience with other youth athletic organizations, including coaching, commissioner, board member, etc.:

I have coached in CCYHA as an assistant coach or head coach since 2005-06, this season as the PeeWee Sioux Head Coach as well as assisting with the PeeWee Select, Squirt House Wildcats, Squirt Select and the Mite Sioux. I play adult hockey in the CAHL as the Captain of the E-League Scioto Valley Chiefs. I have also been a head coach and assistant coach for OYAA Soccer.

Do you participate in other volunteer activities about which you would like the CCYHA voting members to know?

With ADM starting last year, there are a lot of things changing in our organization. I would like to be a part of growing and improving the CCYHA experience for our kids and their families. Youth hockey is all about the kids!!

Briefly describe why you would like to become a CCYHA board member and add any additional information you would like to provide that would support your belief that you would be a productive addition to the CCYHA board.

As a father of four very active children, I know the importance of active participation by parents to ensure success of the sports experience for the kids. Over the years I have noticed that parents want the best experience for their young athletes but can't always invest the time necessary to assist organizations like CCYHA or OYAA. I want all the kids, not just my own, to look back over their time in CCYHA and have it be one of their favorite memories of being a kid. I also think I can lead by example that hockey should be fun. In my opinion, the best measure of success in any youth sports experience is not whether or not your team won or lost the championship, it is that the kids can't wait to get back and play again the next season!

Briefly describe, if elected, the priority you would place on the volunteer time for CCYHA and provide a brief statement regarding the amount of quality time you anticipate you would be able to commit to the organization.

If elected, there will never be a question by kids, parents, or other board members of my commitment to CCYHA and their families. I will commit to attending all board meetings, CCYHA organizational events, and continuing to coach teams and be a very active board member and parent.

I have read the Trustee obligations posted on CCYHA.org. I acknowledge the commitment associated with being a Board Member of CCYHA and attest that I am able to fulfill the responsibilities and obligations associated with the position.
