

RFL Waiver Form

RFL Waiver Forms must be submitted to apply for a player transfer from one team to another. All waiver forms must be submitted before June 15th.

Waivers to move to a different team will only be approved if the General Managers of both organizations and the Commissioner agree or if a player was assigned to a team other than the one requested because it was full or merged into the previous season due to roster space. The waiver will then be submitted to the RFL Executive Committee for final approval. To have a Waiver considered you must first register for the team you are supposed to play on and then follow the instructions for submitting Waiver Requests.

Instructions - Fill out the form below and email to the commissioner of the division you will be playing in for this season.
