Monthly Newsletter  
July 2016

## Welcome

Welcome to the inaugural season of **Seminole Football!** We are excited to announce that the **Seminole** will be competing in the Rockville Football League (RFL) during the 2016 season.

**Seminole Youth Football** is a youth organization (ages 5-13) established to promote the wholesome development of strong core values (**Honor, Courage, Integrity, and Ethics**) while producing not just strong athletes, but young people of exceptional character.

Our number one goal is to provide our youth with an opportunity to play competitive, organized football in a controlled environment and to teach the fundamentals of football.

## General Manager Statement

Chris Hitchens

The welfare of the children that participate in this program will be our utmost priority. As an organization we commit ourselves to the development of all the children who play football inside and outside of our area. We commit ourselves to fostering life long important attributes such as hard work, self discipline, family values, fair play, team play, sportsmanship, and a commitment to excellence in the children who commit to playing football in our program. Each child will be treated equally, with respect, and no special treatment will be given to any child regardless of who he or she is or where he or she comes from. Our children should be recognized in the community, not only as football players, but as outstanding individuals who show respect to all of those they come in contact with. We will pride ourselves on providing the children with the very best in the following: League of play, Coaches, Equipment, Fields, Safety, Preparation, and Training.

## F.A.S.T Camp 2016

### Fundamental - Agility - Speed - Teamwork

I would like to thank all the players, parents, and coaches that participated and supported this year's Seminoles F.A.S.T. Camp. The turnout was better than expected and hopefully it is an indication of things to come. Camp started on May 3rd and was scheduled to end on May 27th. However, due to the request of players and parents, we continued camp throughout the month of June. By the end of camp, each player had shown great improvement and of course made a new friend along the way. This is the Seminole Way and we are already looking forward to F.A.S.T. Camp 2017!
