

Golden Youth Basketball Gym Use Policy

Jeffco schools are happy to partner with our community by providing use of the facilities.

The gym is the Physical Education classroom for students so in order to provide our students the best learning environment and equipment; we ask that anyone using the gym respect the expectations and responsibilities for use of the gym outlined below.

It is expected that EVERYONE granted use of the gym will take personal ownership for its care and in the enforcement of the rules and regulations. For Golden Youth Basketball this is EVERY COACH, CHILD and PARENT. It is in the best interest for safety, liability and equipment care that all groups using the gym enforce the rules. ***Reported incidents of misuse of the facility may be cause for review and possible termination of gym use***
