

## **PLAYER PARTICIPATION**

**POLICY NUMBER: 05**

**ISSUED: September 15, 2005**

**REVISED:**

### **PURPOSE:**

This policy is to ensure all team members actively participate and experience all aspects of sports sponsored by DAA

### **PROCEDURE:**

Coaches within DAA are required to play every team member in accordance with the guidelines set forward by their league of play. If no rules exist then every recreational team member will be played at least the equivalent one-half of each game of which he/she is in attendance. A game is defined as any competition to include: scrimmages, regular season, post-season and tournaments.

Players will be restricted from playing under the following circumstances:

- If payment for registration is not received prior to the first game of the season for which that player intends to participate;
- If the DAA liability waiver is not signed prior to the game; or
- If the Code of Conduct is not signed by the parent and the player prior to a county-sponsored game.

Players will also be restricted from playing a game or may play a reduced amount of game time if it has been determined by the appropriate coach that the player has incurred a discipline infraction (per DAA Policy Number 02, Player Conduct & Discipline).
