

2016 SMITHVILLE 5-6 LEAGUE RULES

Little League rules will remain the same except for the following additions, exceptions and clarifications:

1. The maximum age for players is 6 years old before May 1st of the current year. The minimum age will be 5 years old before May 1st of the current year. All exceptions must be approved by the Board of Directors.
2. Each game will consist of 3 innings or 1:00 time limit whichever comes first. No new inning will start after the 1:00 time limit. There will be no extra innings; a tie will end as a tie. Exception will be for season ending tournament.
3. All warm ups must be completed before the scheduled start time. The second game is to start as scheduled or immediately after the first game is completed. If second game is past its scheduled start time, then no on-field warm ups will be permitted.
4. Each team will bat their entire roster. Batting orders will be exchanged between teams prior to the start of the game. Each roster must include first, last name and uniform number.
5. Fill in Players – Regular Season:
If before any regular season game a team is unable to field a full team of 9 players a maximum of two fill-in players may be used according to the following:
 - No fill-in players are allowed for the 5-6 league or the 7-8 league during season or tournament.
 - Forfeit rules apply for teams with less than 7 players. Teams can only use fill-in players to get team back to 9 having 7 of the original players.
 - A fill-in player must be league age 10 to fill in for the 11-13 league and league age 8 to fill in for the 9-10 league.
 - A fill-in player may play outfield only. No infield position or pitching will be allowed for any reason.
 - A fill-in Player must bat last.
 - Once the game begins and a team is down a player, no fill-in player can be added. The only exception to this rule is when a roster player shows up late to the game but before the 5th inning. That player will then be allowed to join the game and is added to the end of the batting lineup.
 - If a team with a fill-in player(s) (which makes up 9 players) has a roster player show up late to the game, but before the 5th inning, the result is the roster player being added to the lineup and fill-in player removed from game so as not to go over 9 players.
 - A board member on duty will handle any issues regarding fill-in players before the game. If an issue cannot be resolved before start of game, no fill-in player will be allowed to join that game.

Fill in Player – Tournament:

If before any tournament game a team is unable to field a full team of 9 players a maximum of two fill-in players from a designated list may be used according to the following:

- League season fill-in rules do not apply to tournament for picking up any player to play.
- League Manager will create a list of players throughout the season of eligible players. Teams will then work with league manager to assign fill-in players to teams with parent permission. Those players will only be allowed to fill in for one team only during tournament.
- Forfeit rules apply for teams with less than 7 players. Teams can only use fill-in players to get team back to 9 having 7 of the original players.

5-6 League Specific Rules

17. An “incrediball” will be used instead of a baseball.

18. The base paths will be marked halfway between 1st and 2nd base, 2nd and 3rd base, 3rd and home with a chalked line. Any runner that has not crossed this line when an umpire has called time will be required to return to the previous base.

19. An adult representative will pitch to their own team. The adult-pitcher must pitch overhand and from the 30’-0” pitching line as a pitching rubber.

20. Each inning will consist of 3 outs or a 5 run limit per inning, with a 10 run limit in the 3rd inning.

21. Each Batter is allowed 6 pitches. If the ball is not put in play after 6 pitches the batter is out. If a batter is hit by pitch the pitch counts and the batter is not awarded first base.

22. If a batted ball contacts the adult-pitcher, the ball is dead, the pitch does not count and no runners may advance.

23. A 10’ arc is made from the first base line to the third base line from the back of home plate. A batted ball that does not cross this line is considered a foul ball.

24. The adult-pitcher may not interfere with normal play except to pitch the ball. After a ball is put in play (either fair or foul) the adult-pitcher must leave the playing field in the opposite direction of any play being made. The adult-pitcher must stay out of the field of play until time is called by the

umpire. If an adult-pitcher interferes with any play except from a batted ball it will result in a foul ball (strike) called against the batter.

25. The batter must take a full swing at the ball. Bunting will not be allowed. If a batter intentionally bunts, the batter will be called out. This will be a judgment call by an umpire, will be a dead ball and no runners may advance.
26. Timeout will be called by an on field umpire when the defensive team has stopped the progress of the lead runner. Any base runner that has not crossed the half way hash marks will be required to return to the previous base.
27. Except for player injury there will be only one team time out per inning.
28. Runners may not leave the base until the ball is hit. There will be one team warning per game. After one warning the base runner will be called out.
29. The infield fly rule will not be in effect.
30. One base on an overthrow – A runner may advance at his own risk up to 1 base on an overthrown ball from the point the play is being made. The defense may attempt to make a play on the runner trying to advance. If the defense chooses not to make a play on the advancing runner, the runner will be limited to a maximum of 1 base. All runners ahead of the point at which the overthrow occurs are live runners and may advance until the progress of the lead runner is stopped. All runners behind the point at which the play is being made may advance at their own risk as long as there are bases to advance to.
31. A maximum of 2 coaches will be allowed in the outfield behind the outfielders to assist the outfielders. This rule may be eliminated during the league tournament if it is determined by the league manager and/or board of directors. Coaches may not come in contact with the ball or the outfielders while the ball is in play. If a coach comes in contact with a live ball, the batter will be awarded a home run.
32. The Smithville Board of Directors has the right to change any rule during the season which it feels will be in the best interest of all the teams participating in the league.
