Fundraising Fee

Weymouth Youth Hockey recognizes that we are all affected by our current economic situation. In order to continue to offer a quality and affordable program, while simultaneously giving our families an opportunity to reduce their individual overhead, we are introducing a mandatory fundraising event. Each full season player is required to pre-pay \$100.00 (one hundred) for this event. The player will receive \$100.00 (one hundred) worth of raffle tickets which they will sell for \$10.00 (ten) each as a means of "reimbursement" for the upfront fundraising fee paid at registration. Families are not restricted to the number of raffle tickets they can sell. All funds collected from the first book are retained by the player's family, subsequent books can be purchased for \$50, providing an opportunity to significantly reduce or eliminate your tuition cost for the season.

Prizes and other details are still being considered. We will post those details on the website as soon as possible.

USA Hockey / Mass Hockey Online Registration

Tuition DOES NOT include the \$35.00 Registration Fee for USA and Mass Hockey. All players will be required beginning May 1, 2009 to register online with USA/Mass Hockey and send the confirmation code to the registrar.
