Message from the Board of Directors

Please join us for our board meetings on the third Wednesday of every month at 6:30 p.m. Everyone is welcome to come out and see how you can help our association grow the game.

A new season is upon us, and many of our kids are already back at the rink. Did you know that CCYHA is celebrating 50 years of hockey? That's right! We are looking for volunteers to help us ensure that hockey continues in our community for a long time to come. You can help by coming to our next board meeting and asking how you can get involved.

Coaches... some important notes for you:

- Safe Sport and screenings are due by AUGUST 31ST in order to remain on the ice.
- Coaches and players must wear helmets on the ice at all times.
- Locker rooms must be supervised.
- No cell phones are permitted in locker rooms. Please encourage your players to leave their cell phones with their parents before entering the locker rooms.
- Please remind players to be mindful of their behavior while at the rink. The premises are being monitored by security cameras. The rink management and staff will address any problem behavior as necessary.

We are looking for coaches to help with the beginner program and the house league program. If you are interested in helping, please contact a board member.

Please make sure your player's USA Hockey registration has been submitted to your team manager ASAP. If the USA Hockey registration is not on file, the player will be unable to go on the ice.

THANK YOU... to everyone who came out to our 300 Club party! THANK YOU... to those who generously donated supplies, prizes, and money. THANK YOU... to those who selflessly gave their time and talents to make it such a huge success!!!

Please support our wonderful sponsors and vendors:
