

Welcome to the **PHBA** **Field of Dreams 2018** **Softball Tournament!**

Included in this packet are the tournament rules, your division's schedule, and contact information for tournament personnel.

Important Items to Note:

- The tournament is pool-play on Friday and Saturday, and single elimination on Sunday.
- All teams play three games during pool play and advance to the Playoff Brackets (Sunday).
- The enclosed tournament rules will apply to tournament play in your division. If a rule is not covered in these rules, then the ASA tournament rules will be used.
- Division standings for the Championship Series are also covered in the rules. See your division rules for the details.
- Dugouts will be first-come, first-serve unless already occupied from previous game.
- A coin-flip, usually shortly before the start of each game, will determine home team. The team that has traveled the furthest distance will call the coin flip.
- The Home team will keep the official score book. The score books will be available at each field.
