Premier Acknowledgement Form, John Salvatore Soccer Extreme

Soccer Extreme made recommendations for the WSA Premier Acknowledgement form. A subcommittee of WSA members will work directly with John Salvatore and present their suggestions to the board. Bryce Brichkowski, Tracy Scarfi and Nancy Zizzadoro were approved for the subcommittee.

Fall Review

Intramural K-2, Zizzadoro- Season went well and it was suggested to Nancy to please look into kindergarten group practice times possibly being switched to an earlier time. There may be a need for a pre K clinic and it will be looked at.

Academy, Lisa Smith- Season went well. There is a meeting set up with surrounding towns to discuss competition.

VP Mixed Travel, Bryce Brichkowski- Season went well and all results were given. She would like to follow up on coach's fees. She also suggested web registration kinks be worked out before the start of the spring season. Bryce reached out to LAX and Softball programs in Wilton to communicate practice and game times for the spring season. She would like to continue to look at turf possibilities. A conversation regarding age based soccer vs. grade based soccer still needs to be finalized.

VP Girls Travel, Tracy Scarfi- Season went well and all results were given.

Director of Coaching, John Salvatore- Fall season went well and Soccer Extreme has been laser focused on things. Technical, tactical, speed and physical training came together in Wilton. John would like to see in the future players measured on their desire to play soccer. Soccer Extreme has worked very hard to meet the needs of the program. John recommendations would consist of A teams having a third practice in the fall. On a last note all soccer coaches will be back in the spring season except Marc Dring.

Travel Tryout Director, Russ Schmidt- Soccer Extreme has taken over making teams and it has helped out the WSA. Russ would like to communicate to the parents exactly what the kids are getting evaluated on.

Meeting adjourned at 10:00 pm.
