Dear Potential Sponsor,

We are embarking upon a new endeavor and want you along with us! We've started the process of building a high school level community lacrosse organization within our Fox Lake community.

What is lacrosse? Lacrosse, considered to be America's first sport, was born of the North American Indian, christened by the French, and adapted and raised by the Canadians. It's now considered to be one of the fastest growing sports in the United States with youth participation growing over 500% since the late 90's. No other sport has grown faster at the high school level in the last 10 years!

Starting a new club brings many challenges with the biggest hurdle being funding. We are in need of support from our local business owners whose businesses serve the community which our existing and potential new members patronize. We want to help you to help us by becoming an official sponsor. By making a commitment to the Grant Lacrosse program, you will help ensure we are able to provide things like uniforms, helmets, elbow and shoulder pads and gloves to the youth of the communities we serve. Your sponsorship funding will also help pay for expenses such as insurance, administration costs and helping to ensure we can run a solid program year after year.

We understand sometimes it can be difficult to make this kind of commitment due to financial concerns; so we have developed an advertising based program to give you something in return for your support by becoming a sponsor. This includes advertising your business, not only in our parent handbook, but also internet exposure through our website, and in potential print advertisement at our facility which would be seen by hundreds of people, not only from our community but also visitors from all over Lake County. Additionally we are a 501(c)(3) not for profit youth organization, so your sponsorship/donation is tax deductible!

The Grant Lacrosse program has the potential to positively impact many young lives in our community. This is your chance to become part of something special that can touch the lives of hundreds of young people. We really need your help, and we hope you will take the time to seriously consider supporting our organization.

I have attached our 2015 sponsor form. Please give what you can to support this wonderful program.

All donations, correspondence, or questions can be directed to me at the address below or you can feel free to contact us by phone at 847.417.2347 or through the email address listed below.

Thank you in advance for your consideration.

Sincerely,

Steve Welter
