Wakeman E Grass Field

REC Field Guidelines

- + If you are the last group to play, return goals to the fence around field in groups of 2
- + Please return all cones, left balls, and clothes to the WSA box and close lid
- + Please ask families to police all garbage from the fields after the game

For field orientation purposes

REFEREES

The WSA actively recruits young players to participate in the referee program. In many cases these referees are only a few years older than our Rec players and considerably younger than parents and coaches. The single biggest reason our kids drop out of the referee program is due to poor treatment during games. Please remember the referees ones working our younger age games are still learning the referee job.

All of our soccer participants - coaches, parents and players - shall support the referee before, during and after the game. Failure to do so undermines the referee's authority, sets a poor example and creates a hostile environment for all involved.
