

Boys and Girls Coaching Clinic: February 10, Elkhorn (9 am to noon)

There is a 3-hour level 1 coaching clinic for both BEGINNER boys and girls coaches at the Elkhorn Area Middle School on Saturday, February 10. Bring a stick, comfortable attire and gym shoes. Register here: <https://www.uslacrosse.org/coaches/coach-development-program/instructional-clinics>. For more information, contact Sportsmanship Director Mike Shor at elkhornlacrosse@gmail.com

WHAT ARE THESE CLINICS ABOUT? To be a first-time youth coach, you simply need to register on the VLC site and complete some online training (these steps make you “qualified” to coach the first season). Then, for Level 1 full certification (expected to be completed within 16 months of coaching your first game), you need to attend a hands-on workshop. **Why not get it all done at once? These workshops are ideal for newbies, so first-time coaches are encouraged to attend.** The next “hands-on” workshop will be at Elkhorn on February 10. Clinic costs are reimbursed by VLC.
