"Winfield Wolves" is the Winfield in Action travel baseball program. This program was designed to allow the more competitive boys of our community, and the surrounding areas, an opportunity to play baseball at a higher level of competition. Our goal is to prepare these boys for a smooth entry into high school level sports. Winfield In Action started these programs in 1994, and yearly we have many team members that are excelling at the high school level, which as an organization makes us very proud of our children.

You, our valuable supporters, are helping to make it possible for the players to achieve their goals. Our travel program could not work at its current level without your financial help. This is a great way for you to give back to your community and to help these young men (boys) gain the necessary training and experience they need to pursue their baseball dreams.

On behalf of the Winfield Wolves travel baseball program, I would like to thank you for your generous support.
