

Recommended Items for Team Scorebooks:

Having these materials available within each team scorebook will assist your team's scorekeepers throughout the season:

- 1) Pre-printed scoresheets on cardstock (including all the names/numbers of your players). As roster changes do come up over the season, keep 2-3 copies in the book at a time, and replace with new versions as needed.
- 2) Pencil bag with 5-6 sharpened pencils, and preferably, a small portable pencil sharpener.
- 3) 2010 USL Rules Book. Keep in the pencil bag.
- 4) Copy of the Timer/Scorekeeper Guidelines (preferably in a plastic protector)
- 5) Copy of the Abbreviated Guidelines doc (preferably in a plastic protector)
- 6) Copy of the NCAA Women's Statistician's Manual. The 2009 guide is still in use for 2010.
