

WHEN YOU THOUGHT I WASN'T LOOKING

A message every adult should read because children are watching you and doing as you do, not as you say.

When you thought I wasn't looking I saw you hang my first painting on the refrigerator, and I immediately wanted to paint another one.

When you thought I wasn't looking I saw you feed a stray cat, and I learned that it was good to be kind to animals.

When you thought I wasn't looking I saw you make my favorite cake for me, and I learned that the little things can be the special things in life.

When you thought I wasn't looking I heard you say a prayer, and I knew that there is a God I could always talk to, and I learned to trust in Him.

When you thought I wasn't looking I saw you make a meal and take it to a friend who was sick, and I learned that we all have to help take care of each other.

When you thought I wasn't looking I saw you take care of our house and everyone in it, and I learned we have to take care of what we are given.

When you thought I wasn't looking I saw how you handled your responsibilities, even when you didn't feel good, and I learned that I would have to be responsible when I grow up.

When you thought I wasn't looking I saw tears come from your eyes, and I learned that sometimes things hurt, but it's all right to cry.

When you thought I wasn't looking I saw that you cared, and I wanted to be everything that I could be.

When you thought I wasn't looking I learned most of life's lessons that I need to know to be a good and productive person when I grow up.

When you thought I wasn't looking I looked at you and wanted to say, 'Thanks for all the things I saw when you thought I wasn't looking.'

THIS IS FOR ALL OF THE PEOPLE WHO DO SO MUCH FOR OTHERS,
BUT THINK THAT NO ONE EVER SEES...
LITTLE EYES SEE A LOT .

Each of us (parent, grandparent, aunt, uncle, teacher, friend, coach) influences the life of a child.
