

Montgomery County Senior Softball League

New Player Application

You must be 60 years of age or will turn 60 within the current calendar year. There may be a waiting list to join the league. Applications are processed in the order they are received. Our games are played on weekdays in the morning or early afternoon in Hatfield, PA. There is a cost to play (about \$100 per year), but payment is not required until you are placed on a team.

All players play at their own risk and must have medical insurance coverage for any softball related injuries. Check with your doctor to make sure you have no medical restrictions. Play it safe and get a check-up before you play. Player requirements are that you be able to run, field, throw, and bat with an acceptable level of competence. The Commissioner or League Director have the final say regarding the assessment of your playing capabilities and acceptance. Player safety is our utmost concern.

If you have questions, please contact Bruce Williams at bwsj99@gmail.com. Bruce will contact you when there is an opportunity to join a division. Complete information about the league is available at the website www.mcssl.org.

PLEASE PRINT AND COMPLETE ALL ITEMS

Name: _____ Age: ____ Date of Birth: _____

Address: _____ City: _____ State: ____ Zip Code: _____

Phone: _____ Email: _____

I hereby sign and attest that the above information is true.

Signature: _____ **Date:** _____
