

2019-2020 Travel Tryouts

Please visit www.FCEuropa.org to review the tryout schedule and register your child.

All FC EUROPA teams will be organized by the player's birth year; a player may only tryout for the year in which she/he was born. Any player that wants to try out for an older age group must email the request to the Director of Coaching, bdavey@fceuropa.org, prior to tryouts.

To help defray the costs of the tryout process, which includes professional trainers and other incidental costs, there is a \$10 nonrefundable fee.

All age groups have two tryout dates scheduled. If a tryout is canceled due to weather an additional tryout date will be arranged. This will typically be on the Friday, Saturday or Sunday of the same week.

Notifications for the new date/time will be posted on the FCE website and emailed to all registrants. It is highly encouraged and strongly recommended that players attend both tryouts. Coaches need to obtain a fair assessment of each player to help determine their final decisions on team placement. Only attending 1 tryout will reduce players chances of selection.

Select players will be notified via e-mail and given 24 hours to acknowledge acceptance. **Please note that the player's roster spot is not confirmed until registration is completed and the registration fee is paid.**

Additional paperwork, including a copy of the player's birth certificate, photo, medical release, and registration forms, will need to be submitted to the club before the player can be added to a team roster.

The FC Europa program structure will be divided into the following phases / divisions:

- The 7v7 Academy Phase (birth years 2010, 2011, 2012);
- The 9v9 Academy Phase (birth years 2008, 2009);

- The 11v11 Juniors Phase (birth years 2005, 2006, 2007);
- The 11v11 Showcase Phase (birth years 2001, 2002, 2003, 2004).

Within each of these Phases, we will designate and refer to our teams as:

- FC EUROPA ELITE
- FC EUROPA PREMIER
- FC EUROPA SELECT

We expect that the club fees will be moderately tiered by the age divisions and will generally remain consistent with our current fees for each age group. As always, team fees are dependent upon the nature and number of team activities and events.

Please visit the “Programs” link at www.FCEuropa.org for a more detailed description of each of these Divisions.

As always, thanks for your enthusiastic support of FC EUROPA and its soccer programs and we look forward to seeing you at tryouts.

Regards,

Barry Davrey
