## Session Details:

Summer sessions have been designed specifically to further develop player technical skills and tactical knowledge in a structured, fun, competitive environment, taught by our professional coaching staff.

All sessions will be held at Joel Barlow High School fields. See separate schedule document for training times.

Payment must be made prior to your child's participation. You can pay by check (payable to Easton Redding United Soccer Club – ERU / P.O. Box 1036 / Redding Center, CT 06875) or on-line at [erunited.org](http://erunited.org).

Please register at the ERU website to receive updated information on all sessions. Weather cancellations will be communicated via the ERU website.

If any session does not meet the minimum player requirement (9 players), we will attempt to accommodate those players who have shown interest in the sessions by placing them in an alternate age group based upon each players skill level (as determined by the coach).
