Capital Water Polo Annual Pass-a-thon

Capital Water Polo Athlete Name: _____
Number of Passes Completed: _____

Dear Sponsor,

On Sunday April 30th, I am participating in the Capital Water Polo Pass-a-thon with my fellow team members. We will be passing the ball in the water while we are treading water.

All proceeds will help fund Capital Water Polo, the Washington area's only youth water polo program. Our club teaches and trains young water polo players through high school. You can sponsor me for an amount per pass or you can name an amount that you are willing to contribute. My goal is to pass the ball ____ times.

If you pledge a per pass amount, I will let you know my total pass number and I will need to collect your donation by Sunday May 7, 2017. Thanks in advance for your support. Please make checks payable to Capital Water Polo. All contributions are tax-deductible.

Thank you!
